RESOLUTIONS

18 (V). Intervention of the Central People's Government of the People's Republic of China in Korea

(Resolution adopted on the report of the First Committee)

The General Assembly,

Noting that the Security Council, because of lack of unanimity of the permanent members, has failed to exercise its primary responsibility for the maintenance of international peace and security in regard to Chinese communist intervention in Korea,

Noting that the Central People's Government of the People's Republic of China has not accepted United Nations proposals to bring about a cessation of hostilities in Korea with a view to peaceful settlement, and that its armed forces continue their invasion of Korea and their large-scale attacks upon United Nations forces there,

1. Finds that the Central People's Government of the People's Republic of China, by giving direct aid and assistance to those who were already committing aggression in Korea and by engaging in hostilities against United Nations forces there, has itself engaged in aggression in Korea;

2. Calls upon the Central People's Government of the People's Republic of China to cause its forces and officials in Korea to cease hostilities against the United Nations forces and to withdraw from Korea;

See Official Records of the General Assembly, Fifth Session, Supplement No. 20 (A/1775), page 1.

See document A/1936.

See documents A/C.1/643 and A/C.1/645.

3. Affirms the determination of the United Nations to continue its action in Korea to meet the aggression;

4. Calls upon all States and authorities to continue to lend every assistance to the United Nations action in Korea;

5. Calls upon all States and authorities to refrain from giving any assistance to the aggressors in Korea;

6. Requests a Committee composed of the members of the Collective Measures Committee as a matter of urgency to consider additional measures to be employed to meet this aggression and to report thereon to the General Assembly, it being understood that the Committee is authorized to defer its report if the Good Offices Committee referred to in the following paragraph reports satisfactory progress in its efforts;

7. Affirms that it continues to be the policy of the United Nations to bring about a cessation of hostilities in Korea and the achievement of United Nations objectives in Korea by peaceful means, and requests the President of the General Assembly to designate forthwith two persons who would meet with him at any suitable opportunity to use their good offices to this end.

327th plenary meeting,
1 February 1951.

The President of the General Assembly, on 19 February 1951, informed (A/1779) the members of the General Assembly that Dr. Luis Padilla Nervo (Mexico) and Mr. Sven Grafstrom (Sweden) had accepted his invitation to form with him the Good Offices Committee, as provided in the above resolution.

499 (V). Place of meeting of the sixth regular session of the General Assembly

(Resolution adopted without reference to a Committee)

The General Assembly,

Having been informed^{*} that the French Government, desirous of responding to the wish that has been expressed to it on several occasions, has decided to welcome the General Assembly to Paris for the duration of its sixth session,

1. *Decides*, in pursuance of its resolution 497 (V) of 14 December 1950, to hold its sixth regular session in Paris;

2. *Decides* that, notwithstanding the provisions of rule 1 of its rules of procedure, the sixth session shall commence not later than 6 November 1951;

3. *Authorizes* the Secretary-General to conclude with the French Government the necessary agreements for holding the sixth session of the General Assembly in Paris, provided that the total estimated cost of holding the sixth session in Paris (including such meetings as may be arranged after 1 January 1952) shall not exceed the amount of \$US 2,350,400 provided in the 1951 budget, plus such additional amounts as may be authorized by transfer from other sections of the 1951 budget by the Secretary-General with the prior concurrence of the Advisory Committee on Administrative and Budgetary Questions.

*329th plenary meeting,
20 March 1951.*

500 (V). Additional measures to be employed to meet the aggression in Korea

(Resolution adopted on the report of the First Committee)

Noting the report^{*} of the Additional Measures Committee dated 14 May 1951,

Recalling its resolution 498 (V) of 1 February 1951,

Nothing that :

(a) The Additional Measures Committee established by that resolution has considered additional measures to be employed to meet the aggression in Korea,

(b) The Additional Measures Committee has reported^{*} that a number of States have already taken measures designed to deny contributions to the military strength of the forces opposing the United Nations in Korea,

(c) The Additional Measures Committee has also reported^{*} that certain economic measures designed fur-

ther to deny such contributions would support and supplement the military action of the United Nations in Korea and would assist in putting an end to the aggression,

1. *Recommends* that every State :

(a) Apply an embargo on the shipment to areas under the control of the Central People's Government of the People's Republic of China and of the North Korean authorities of arms, ammunition and implements of war, atomic energy materials, petroleum, transportation materials of strategic value, and items useful in the production of arms, ammunition and implements of war;

(b) Determine which commodities exported from its territory fall within the embargo, and apply controls to give effect to the embargo;

(c) Prevent by all means within its jurisdiction the circumvention of controls on shipments applied by other States pursuant to the present resolution;

(d) Co-operate with other States in carrying out the purposes of this embargo;

(e) Report to the Additional Measures Committee within thirty days and thereafter at the request of the Committee, on the measures taken in accordance with the present resolution;

2. *Requests* the Additional Measures Committee :

(a) To report to the General Assembly, with recommendations as appropriate, on the general effectiveness of the embargo and the desirability of continuing, extending or relaxing it;

(b) To continue its consideration of additional measures to be employed to meet the aggression in Korea, and to report thereon further to the General Assembly, it being understood that the Committee is authorized to defer its report if the Good Offices Committee reports satisfactory progress in its efforts;

3. *Reaffirms* that it continues to be the policy of the United Nations to bring about a cessation of hostilities in Korea, and the achievement of United Nations objectives in Korea by peaceful means, and requests the Good Offices Committee to continue its good offices.
