With regard to this draft resolution, I wish to advise that the policy for independent system-wide evaluation of United Nations operational activities for development prepared by the interim coordination mechanism for system-wide evaluation of operational activities for development of the United Nations system, which is referenced in the first few lines of paragraph 8, will be issued as a note by the Secretariat under the symbol A/68/658. Before concluding, I would like to commend the high level of cooperation and collaboration prevailing in the Second Committee at this session. Although the work of the Committee had to be extended for a week and a half to reach a successful conclusion, the Committee was able to fulfil the mandate entrusted to it by the Assembly and to complete its work effectively and constructively.

I would like to thank, on behalf of the Bureau, all the facilitators and negotiators for their efforts during the negotiations. I would also like to thank all delegations for their constructive participation and cooperation, which ultimately allowed us to reach consensus on most draft resolutions and all decisions.

I also take this opportunity to thank most sincerely our Chair, Mr. Abdou Salam Diallo of Senegal, as well as the Vice-Chairs, Miss Farrah Brown of Jamaica, Ms. Oana Rebedea of Romania and Mr. Waruna Sri Dhanapala of Sri Lanka, for their collaboration and partnership during this session.

May I also thank the Secretariat of the Second Committee for its outstanding assistance and support to the Bureau.

I would also like to request delegations having any queries about corrections to the text of draft resolutions that were adopted by the Second Committee, including translation queries, to communicate them as soon as possible to the Secretariat so that corrections can be

made before the texts are issued as resolutions of the General Assembly.

Finally, on a more personal note, I would like to take this opportunity to offer my very best wishes to everyone for a wonderful holiday season and, I hope, a well-deserved break, as 2014 is already shaping up as another very busy year.

**The President:** I thank the Rapporteur of the Second Committee for introducing the reports of the Committee.

If there is no proposal under rule 66 of the rules of procedure, I shall take it that the General Assembly decides not to discuss the reports of the Second Committee that are before the Assembly today.

*It was so decided.*

**The President:** Statements will therefore be limited to explanations of vote. The positions of delegations regarding the recommendations of the Second Committee have been made clear in the Committee and are reflected in the relevant official records.

May I remind members that, under paragraph 7 of decision 34/401, the General Assembly agreed that

“When the same draft resolution is considered in a Main Committee and in a plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in the plenary meeting, unless that delegation’s vote in the plenary meeting is different from its vote in the Committee.”

May I further remind delegations that, also in accordance with General Assembly decision 34/401, explanations of vote are limited to 10 minutes and should be made by delegations from their seats. When a report contains more than one proposal, delegations will have an opportunity to explain their positions before and after the General Assembly takes action on all of the proposals.

Before we begin to take action on the recommendations contained in the reports of the Committee, I should like to advise representatives that we are going to proceed to take decisions in the same manner as was done in the Second Committee, unless the Secretariat is notified otherwise in advance. I should therefore hope that we may proceed to adopt without a vote those recommendations that were adopted without a vote in the Committee.

Before proceeding further, I would like to draw the attention of members to a note by the Secretariat, entitled “List of proposals contained in the reports of the Second Committee”, which has been circulated in document A/C.2/68/INF/1. The note has been distributed desk to desk in the Hall as a reference guide for action on draft resolutions and decisions recommended by the Second Committee in its reports. In that connection, members will find in the third column of the note the order and numbers of the draft resolutions or decisions for action in the plenary meeting, with their corresponding titles and symbols, assigned in the Second Committee in the fourth column of the same note.

The Assembly is reminded that we will now begin taking action on draft resolutions and decisions recommended for adoption by the Second Committee, and as such, those draft resolutions and decisions can no longer be additionally co-sponsored in the plenary meeting by Member States. Any clarification about sponsorship should be addressed to the Secretary of the Committee.

**Programme of work**

**The President:** I would like to draw the attention of members to the date of recess of the current session. Members will recall that, at its 66th plenary meeting, on 12 December 2013, the General Assembly agreed to postpone the date of recess of the sixty-eighth session to Friday, 20 December, which is today. In the light of the work still to be completed in the Fifth Committee, I would like to propose to the Assembly that the date of recess of the current session now be further postponed to Monday, 23 December. I hope that that would be the last extension.

If there is no objection, may I take it that the Assembly agrees to further postpone the date of recess of the sixty-eighth session to Monday, 23 December?

*It was so decided.*

**The President:** I should like to consult members regarding an extension of the work of the Fifth Committee. Members will recall that, at its 61st plenary meeting, on 6 December, the General Assembly agreed to extend the work of the Fifth Committee until Friday, 20 December, which also happens to be today. However, I have been informed by the Chairman of the Fifth Committee that the Committee requests an additional extension of its work to Monday, 23 December, in view that such an extension would facilitate reaching consensus on the pending draft resolutions before it.

May I therefore take it that the General Assembly agrees to extend the work of the Fifth Committee until Monday, 23 December?

*It was so decided.*

*The meeting rose at 11.15 a.m.*
