[**A/C.3/75/L.19/Rev.1**](#)

Intensification of efforts to prevent and eliminate all forms of violence against women and girls

In the final preambular paragraph, replace the words “the increased demand for paid and unpaid care work and the reported surge of sexual and gender-based violence, including domestic violence and violence in digital contexts, during confinement, are deepening already existing inequalities and risk reversing the progress” with the words “the increased demand for unpaid care work and the increase in the number of cases of violence, including domestic violence, violence in digital contexts and sexual and gender-based violence, during confinement are deepening already existing inequalities and risk slowing down the progress”.
