⁵ A/66/779 and Add.1.

Recognizing the importance of the United Nations being able to respond and deploy rapidly to a peacekeeping operation upon adoption of a relevant resolution of the Security Council, within thirty days for traditional peacekeeping operations and ninety days for complex peacekeeping operations,

Recognizing also the need for adequate support during all phases of peacekeeping operations, including the liquidation and termination phases,

Mindful that the level of the support account should broadly correspond to the mandate, number, size and complexity of peacekeeping missions,

1. *Takes note* of the report of the Secretary-General on the budget for the support account for peacekeeping operations for the period from 1 July 2012 to 30 June 2013,² the report of the Independent Audit Advisory Committee on the budget for the Office of Internal Oversight Services under the support account for peacekeeping operations for the period from 1 July 2012 to 30 June 2013³ and the report of the Office of Internal Oversight Services on the implementation of the pilot project designated by the General Assembly in resolution 63/287⁴ on the structure of the Investigations Division of that Office;

2. *Reaffirms* its role in carrying out a thorough analysis and approval of human and financial resources and policies with a view to ensuring the full, effective and efficient implementation of all mandated programmes and activities and the implementation of policies in this regard;

3. *Also reaffirms* that the Fifth Committee is the appropriate Main Committee of the General Assembly entrusted with responsibility for administrative and budgetary matters;

4. *Further reaffirms* rule 153 of its rules of procedure;

5. *Reaffirms* that the support account funds shall be used for the sole purpose of financing human resources and non-human resource requirements for backstopping and supporting peacekeeping operations at Headquarters, and that any changes in this limitation require the prior approval of the General Assembly;

6. *Also reaffirms* the need for adequate funding for the backstopping of peacekeeping operations, as well as the need for full justification for that funding in support account budget submissions;

7. *Further reaffirms* the need for effective and efficient administration and financial management of peacekeeping operations, and urges the Secretary-General to continue to identify measures to increase the productivity and efficiency of the support account;

8. *Requests* the Secretary-General to ensure the full implementation of the relevant provisions of General Assembly resolutions 59/296 of 22 June 2005, 60/266 of 30 June 2006, 61/276 of 29 June 2007, 64/269 of 24 June 2010, 65/289 of 30 June 2011 and 66/___ of _____, and other relevant resolutions;

9. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,⁶ subject to the provisions of the present resolution, and requests the Secretary-General to ensure their full implementation;

⁶ A/66/779.

10. *Decides* to maintain, for the financial period from 1 July 2012 to 30 June 2013, the funding mechanism for the support account used in the current period, from 1 July 2011 to 30 June 2012, as approved in paragraph 3 of its resolution 50/221 B of 7 June 1996;

11. *Recognizes* the continued work and effort of the Secretariat to enhance the capacity of the Organization to manage and sustain peacekeeping operations;

12. *Reiterates its request* to the Secretary-General to review the level of the support account on a regular basis, taking into consideration the number, size and complexity of peacekeeping operations;

13. *Emphasizes* that support functions should be scalable to the size and scope of peacekeeping operations;

14. *Also emphasizes* the significant efforts made by the Department of Peacekeeping Operations and the Department of Field Support to ensure that their requirements under the support account are properly aligned to effective and efficient mandate implementation, and calls on all departments with posts and positions under the support account to intensify their efforts in this regard;

15. *Encourages* the Secretary-General to determine what constitutes a core or basic capacity to effectively manage and backstop peacekeeping operations and to report his findings in the context of the budget proposal for the support account for peacekeeping operations for the period from 1 July 2013 to 30 June 2014;

16. *Takes note* of paragraph 15 of the report of the Advisory Committee,⁶ and requests the Secretary-General to continue to present separate budgets for the United Nations Logistics Base at Brindisi, Italy and the support account;

17. *Recalls* section I, paragraph 6, of resolution 55/238, paragraph 11 of resolution 56/241, paragraph 19 of resolution 61/279, paragraph 22 of resolution 62/250, and paragraph 7 of resolution 65/290, and requests the Secretary-General to intensify his efforts to ensure proper representation of troop-contributing countries in the Department of Peacekeeping Operations and the Department of Field Support of the Secretariat, taking into account their contribution to United Nations peacekeeping and to report thereon in the context of his proposed budget for the support account for peacekeeping operations for the period from 1 July 2013 to 30 June 2014;

18. *Underlines* the crucial importance of ensuring that the lessons learned and best practices of peacekeeping missions are adequately captured, processed and incorporated into guidelines and policies, particularly with regard to peacebuilding efforts by peacekeepers and peacekeeping operations in transition, and in this regard recognizes the significant role of the Policy and Best Practices Service and best practices officers on the ground;

19. *Notes* the dispersal of communications and public information capabilities in the Department of Peacekeeping Operations, and expresses its view that these capabilities should be concentrated in the Public Affairs Section of the Department;

20. *Welcomes* the reduction in vacancy rates in the Office of Internal Oversight Services, and urges the Office to ensure that all remaining vacant posts are filled as a matter of priority;

21. *Requests* the Secretary-General to closely monitor and control, as appropriate, the practice of reassigning and redeploying posts and positions in the Secretariat;

22. *Reaffirms* its resolution 59/288 of 13 April 2005;

23. *Recalls* paragraph 21 of section VI of its resolution 64/269;

24. *Stresses* that planning and coordination performed by the operational support function of the missions, which is to be transferred to the Global Service Centre, should continue to comply with the existing governance framework, including the delegation of procurement authority;

25. *Also stresses* that the transfer of functions should not impact the responsibility and accountability of the Headquarters for oversight of peacekeeping logistical support demands and their fulfilment without prejudice to General Assembly resolution 59/288;

26. *Requests* the Secretary-General to identify, in the context of his end-state vision for the global field support strategy, the capacities at Headquarters discharging the responsibility and accountability for such oversight;

27. *Stresses* the need to ensure that training programmes are delivered with maximum effectiveness and efficiency and that there is a link between training programmes and mandate implementation, and requests the Secretary-General to ensure that resource requirements for training activities in the budget proposal for the support account for peacekeeping operations for the period from 1 July 2013 to 30 June 2014 is made on the basis of clearly identified priorities;
