Chapter II

Strategic management, budgetary and administrative questions

4. At the 1st meeting of the Commission on Crime Prevention and Criminal Justice, jointly held with the Commission on Narcotic Drugs, on 12 December 2011, the Commission considered agenda item 3, which read as follows:

“Strategic management, budgetary and administrative questions:

“(a) Work of the working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime;

“(b) Directives on policy and budgetary issues for the United Nations crime prevention and criminal justice programme.”

5. For its consideration of agenda item 3, the Commission had before it the following documents:

(a) Report of the Executive Director on the consolidated budget for the biennium 2012-2013 for the United Nations Office on Drugs and Crime (E/CN.7/2011/16-E/CN.15/2011/22);

(b) Report of the Advisory Committee on Administrative and Budgetary Questions on the consolidated budget for the biennium 2012-2013 for the United Nations Office on Drugs and Crime (E/CN.7/2011/17-E/CN.15/2011/23);

(c) Note by the Secretariat on the work of the standing open-ended intergovernmental working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime (E/CN.7/2011/9/Add.1-E/CN.15/2011/9/Add.1);

(d) Note by the Secretariat on the work of the standing open-ended intergovernmental working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime: draft strategy for the period 2012-2015 for the United Nations Office on Drugs and Crime (E/CN.7/2011/9/Add.2-E/CN.15/2011/9/Add.2).

6. At the 1st meeting, the Executive Director of the United Nations Office on Drugs and Crime (UNODC), the Director of the Division for Management of UNODC and the observer for Spain, in his capacity of co-chairperson of the standing open-ended intergovernmental working group on improving the governance and financial situation of UNODC, made introductory statements.

7. Statements were also made by the representatives of the Islamic Republic of Iran, Pakistan, the Russian Federation, Belarus, Nigeria and Mexico. Statements were also made by the observers for Ecuador and Spain. The Chairman of the Commission made a statement.

A. Deliberations

8. The observer for Spain, speaking as co-chairperson of the standing open-ended intergovernmental working group on improving the governance and financial situation of UNODC, reported on the salient results of the working group, including its initiative that brought about the joint reconvened sessions of the Commissions so that they could serve as an integrated governing body to oversee strategic management, budgetary and administrative questions of the Office; the review of the recommendations of the Joint Inspection Unit in its report on the review of management and administration in the United Nations Office on Drugs and Crime (JIU/REP/2010/10); the consensus reached by the working group on the draft strategy for the period 2012-2015 for UNODC; and the continued dialogue with the Office on the development and implementation of thematic and regional programmes.

9. Speakers welcomed the first joint meeting of the Commissions held pursuant to Economic and Social Council decision 2011/259 as an opportunity to increase synergies. Delegations welcomed the work of the standing open-ended intergovernmental working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime, and the Commission expressed its appreciation for the work of the co-chairpersons of the working group.

10. A number of speakers enquired about the level of projected reserves in the consolidated budget for the biennium 2012-2013 for UNODC. A representative of the Secretariat advised that the projected level of reserves reflected the difference between the anticipated level of contributions from Member States and the implementation of UNODC activities as presented in the consolidated budget. An increase in the level of reserves would not represent a reduction in activities but would allow for protection against any shortage in income, unforeseen shortfalls in programme delivery, liabilities, inflation and currency adjustments and legal obligations in case of unforeseen shortfalls in the delivery of special-purpose contributions. That representative also explained that the current level of reserves was conservative and prudent and that the Secretariat would continue to monitor and update Member States on the level of reserves, so that additional activities could be authorized if a sufficient level was reached. The Secretariat underscored that the accumulated reserves as projected would cover only approximately 18 months of expenditure.

11. It was recalled that, pursuant to General Assembly resolutions 46/185 C and 61/252, section XI, the Commissions were entrusted with the responsibility to approve the consolidated budget of UNODC, bearing in mind the comments and recommendations of the Advisory Committee on Administrative and Budgetary Questions.

12. One speaker expressed concern about the absence of programme support cost funds programmed under subprogramme 5, Health and livelihoods (combating drugs and HIV), in the biennium 2012-2013 and emphasized that the Secretariat should provide the subprogramme with financial and human resources commensurate with its scope and purpose. The representative of the Secretariat advised that the priorities attached to subprogramme 5 were high and that the reduction in programme support cost funds under the subprogramme reflected a realignment of resources to regular budget and the general-purpose funds, and that resources for

that subprogramme were also provided for under subprogramme 4, Justice, together with the resources for the field office network.

13. With reference to subprogramme 1, Countering transnational organized crime, illicit trafficking and illicit drug trafficking, of the draft strategy of the Office, the Commission noted that the reference to “illicit trafficking” was understood to include all forms of illicit trafficking, including trafficking in persons. The Commission also noted that the work of UNODC within the United Nations system task force on transnational organized crime and drug trafficking as threats to security and stability, jointly co-chaired by UNODC and the Department of Political Affairs of the Secretariat, was guided by the mandates of the Office and policy directives provided by the Commissions.

B. Action taken by the Commission

14. At its 1st meeting, on 12 December 2011, the Commission took note of the election of Taous Feroukhi (Algeria) and Ignacio Baylina-Ruiz (Spain) as co-chairpersons of the standing open-ended intergovernmental working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime at the intersessional meeting of the Commission held on 8 November 2011, as recommended by the joint meeting of the extended Bureaux of the Commission on Crime Prevention and Criminal Justice and the Commission on Narcotic Drugs on 24 May 2011 pursuant to Commission on Crime Prevention and Criminal Justice resolution 18/3 and Economic and Social Council decision 2011/258.

15. At its 2nd meeting, on 13 December 2011, the Commission adopted a draft resolution submitted by the Chairperson of the Commission, entitled “Budget for the biennium 2012-2013 for the United Nations Crime Prevention and Criminal Justice Fund (E/CN.15/2011/L.18). (For the text, see chap. I, sect. C, resolution 20/8.)

16. (For the text, see chap. I, sect. A.)

17. At the same meeting, the Commission adopted a draft resolution (E/CN.15/2011/L.20), as orally revised, entitled “Improving the governance and financial situation of the United Nations Office on Drugs and Crime: work of the standing open-ended intergovernmental working group on improving the governance and financial situation of the United Nations Office on Drugs and Crime on evaluation and oversight”. (For the text, see chap. I, sect. C, resolution 20/9.) The resolution was sponsored by Brazil, Canada, Costa Rica, El Salvador, Finland, France, Germany, Italy, Mexico, Spain, Sweden, Switzerland and the former Yugoslav Republic of Macedonia. 18. At its 2nd meeting, on 13 December 2011, the Commission considered agenda item 10, entitled “Other business”. The Chairperson introduced the item and brought to the attention of the Commission matters relating to the organization of work for its twenty-first session.

A. Deliberations

1. Duration of the twenty-first session and other arrangements

19. The Chairperson brought to the attention of the Commission that, at the intersessional meeting of the Commission held on 8 November 2011, participants had endorsed the recommendation of the extended Bureau that the twenty-first session of the Commission should have a duration of five days, from Monday, 23 April to Friday, 27 April 2012. It was also brought to the attention of the Commission, as was done at the intersessional meeting, that in accordance with Economic and Social Council decision 2011/257, the firm deadline for submission of draft resolutions would be noon on 23 March 2012. The Commission took note of the date for the submission of draft resolutions.

20. It was recalled that at the same intersessional meeting, the Commission had determined that its twenty-first session would be preceded by informal consultations, with interpretation, on Friday, 20 April 2012, at which Member States would have an opportunity to engage in informal consultations on draft resolutions and, inter alia, the provisional agenda for the twenty-second session.

2. Thematic discussion

21. As recommended by the Commission and approved by the Economic and Social Council in its decision 2011/257, the prominent theme for the twenty-first session would be “Violence against migrants, migrant workers and their families”.

22. At its reconvened twentieth session, the Commission took note of the following sub-themes for the thematic discussion at the twenty-first session, upon the recommendation of the extended Bureau:

Morning meeting:

(a) Sub-themes related to the problem and its prevention:

(i) Victimization and exploitation of migrants, migrant workers and their families where it occurs and best practices to address their vulnerabilities, taking into account the special needs of migrant women and children;

(ii) Improvements in reporting and collecting crime and victimization data, to better understand trends, forms, causes and consequences of violence against migrants, migrant workers and their families;

(iii) Crime prevention strategies, measures, mechanisms and tools, including raising awareness of violence against migrants, migrant workers and their families and the role of coordination across law enforcement, labour, immigration, consular officials, health, social welfare agencies and civil society;

Afternoon meeting:

(b) Sub-themes related to possible responses:

(ii) Measures aimed at assisting and protecting migrants, migrant workers and their families, including the promotion and protection of their rights, regardless of their migratory status;

(iii) International cooperation, extradition and mutual legal assistance, including legal assistance for cases involving labour migrants.

23. It was recalled that, at its intersessional meeting on 8 November 2011, the Commission had agreed that nominations for panellists should be submitted through the Chairpersons of the regional groups by 23 February 2012 at the latest, in accordance with Commission decision 18/1.

3. Workshop of the United Nations crime prevention and criminal justice programme network

24. The Commission was informed that the extended Bureau had, at its meeting on 5 December 2011, favourably considered a proposal from the United Nations crime prevention and criminal justice programme network to organize, as it had done in previous years, a workshop on a topic related to technical assistance of relevance to the work of the Commission, to be held in the afternoon of the first day of the twenty-first session, under the chairmanship of a member of the Bureau, prior to the consideration by the Committee of the Whole of draft proposals.

25. The proposed workshop by the network would focus on the implementation of the Salvador Declaration on Comprehensive Strategies for Global Challenges: Crime Prevention and Criminal Justice Systems and Their Development in a Changing World and on the contribution and support that the members of the network could offer Member States in that area of work.

4. Preparations for the Thirteenth United Nations Congress on Crime Prevention and Criminal Justice

26. It was recalled that the draft resolution entitled "Follow-up to the Twelfth United Nations Congress on Crime Prevention and Criminal Justice and preparations for the Thirteenth United Nations Congress on Crime Prevention and Criminal Justice" had been recommended by the Economic and Social Council, in its resolution 2011/30, to the General Assembly for adoption. In accordance with the draft resolution, the Commission would, at its twenty-first session, approve

the overall theme, the agenda items and the topics for the workshops at the Thirteenth United Nations Congress on Crime Prevention and Criminal Justice. The Secretary-General had invited Member States to provide information on the issues raised in the draft resolution. Delegations were encouraged to submit their replies to the Secretariat as soon as possible so that they could be submitted in a report to the Commission at its twenty-first session.

B. Action taken by the Commission

27. At its 2nd meeting, on 13 December 2011, the Commission took note of the dates, deadlines and arrangements for its twenty-first session referred to in paragraphs 18-21 and 23-25, above.

28. At the same meeting, the Commission approved the sub-themes for the thematic discussion at its twenty-first session, as reflected in paragraph 22, above.

(For the text, see chap. I, sect. B.) The Commission also decided to entrust the finalization of the report to the Chairperson of the Commission with the assistance of the Rapporteur.

Chapter V

Organization of the session and administrative matters

A. Opening and duration of the session

30. The Commission on Crime Prevention and Criminal Justice held its reconvened twentieth session in Vienna on 12 and 13 December 2011. The Commission held a meeting of its Extended Bureau on 12 December 2011 to deal with organizational matters.

31. The Economic and Social Council, in its decision 2011/259 of 28 July 2011, entitled “Joint meetings of the reconvened sessions of the Commission on Narcotic Drugs and the Commission on Crime Prevention and Criminal Justice”, decided that, starting in 2011, the Commission on Narcotic Drugs and the Commission on Crime Prevention and Criminal Justice would hold joint meetings during their reconvened sessions for the sole purpose of considering agenda items included in the operational segment of the agendas of both Commissions, with a view to providing integrated policy directives to UNODC on administrative, budgetary and strategic management issues. The Council also decided that the practice of holding back-to-back reconvened sessions of the Commissions should be continued to enable each Commission to consider, in separate meetings, agenda items included in the normative segment of its agenda.

32. In accordance with that decision, one meeting of the Commission on Crime Prevention and Criminal Justice was held jointly with the Commission on Narcotic Drugs on the first day of the reconvened sessions in order to consider item 3 of the agendas of both Commissions.

33. The remaining items on the agenda were considered thereafter at a separate meeting, held on 13 December, as reflected in the proposed organization of work (E/CN.15/2011/1/Add.1).

34. At the 1st meeting of the Commission on Crime Prevention and Criminal Justice, held jointly with the Commission on Narcotic Drugs, on 12 December 2011, the chairpersons of the Commissions made opening statements. The Executive Director of UNODC also made an opening statement.

B. Attendance

35. The session was attended by representatives of 30 States members of the Commission (Angola, Benin, Cameroon, the Comoros, the Democratic Republic of the Congo, Ghana, Lesotho, Libya and Ukraine were not represented). Observers for other States Members of the United Nations, representatives of organizations of the United Nations system and observers for intergovernmental and non-governmental organizations also attended. A list of participants is contained in document E/CN.15/2011/INF/3.

C. Documentation

36. The list of documents before the Commission at its reconvened twentieth session was distributed at the reconvened session as a conference room paper (E/CN.15/2011/CRP.8/Add.1).

D. Closure of the reconvened twentieth session

37. At the 2nd meeting, on 13 December, a closing statement was made by the Chairperson of the Commission. Statements were also made by the representative of the Islamic Republic of Iran (on behalf of the States Members of the United Nations that are members of the Group of 77 and China) and the Director of the Division for Treaty Affairs of the United Nations Office on Drugs and Crime.
