General Conference

Seventeenth session

Vienna, 27 November-1 December 2017

Item 3 of the provisional agenda

Adoption of the agenda

Annotated provisional agenda

Item 1. Opening of the session

In accordance with rule 34 of the rules of procedure of the General Conference, the President of the sixteenth session, or, in her absence, the head of the delegation from which the President of that session was elected (Austria), will open the seventeenth session of the General Conference.

Item 2. Election of officers¹

At each regular session the Conference shall, with due regard for equitable geographical representation, elect, from among the representatives of Members, the following officers: a President and nine Vice-Presidents, as well as a Chairman for each Main Committee (rule 35). The officers elected shall constitute the General Committee.

Election of the President

The election of the President of the General Conference is governed by rule 35 and appendix A of the rules of procedure. However, when the fifteenth session of the Conference took place in Lima, Peru in 2013, the members of the Lists of States reached an agreement that the President of the fifteenth session would be elected from States in List C of Annex I to the Constitution, while the President of the sixteenth session would be elected from States in List B. The agreement on the shift of the rotation cycle was circulated to Member States in working paper No. 5 on 18 October 2013. As per this agreement, the President of the seventeenth session should be elected from States in List D of Annex I to the Constitution.

¹ To ensure equitable geographical distribution in the election of officers and the elections to organs, account has to be taken of the latest lists of States to be included in Annex I to the Constitution. The list, as of the date of preparation of the present document, is the same as that included in document PBC.33/11. Before proceeding to the elections, as explained in paragraph 2 of that document, the General Conference will have to decide in which of the lists of States (A, B, C or D) one Member State (Kiribati) is to be included.

For reasons of economy, this document has not been printed. Delegates are kindly requested to bring their copies of documents to meetings.

Election of other officers

The nine Vice-Presidents shall be elected so as to ensure the representative character of the General Committee (rule 35.3). Should the Conference decide to establish Main Committees (see item 4 below), the Conference shall also elect a Chairperson for each Main Committee.

Item 3. Adoption of the agenda

In accordance with Article 9.4 (g) of the Constitution, the Industrial Development Board at its forty-fifth session adopted the provisional agenda for the seventeenth session of the General Conference, as reflected in decision IDB.45/Dec.14. The provisional agenda to be submitted to the Conference for approval is contained in document GC.17/1.

Item 4. Organization of work

In accordance with rule 40, the officers elected shall constitute the General Committee. The General Committee shall propose to the Conference the establishment of Main Committees and of any other sessional bodies of the Conference. It shall propose to the Conference the allocation of items between the plenary, the Main Committees and any other sessional bodies (rule 42). In the past, at each regular session the Conference established a Main Committee to which all the substantive items of the agenda were referred for a more focused debate aimed at the preparation of consensus draft decisions and resolutions for submission to the plenary. The Industrial Development Board, in decision IDB.45/Dec.14, paragraph (d), recommended to the Conference that substantive items of the provisional agenda be allocated to a Main Committee.

Furthermore, in accordance with decision IDB.45/Dec.14, paragraph (e), the President of the forty-fifth session of the Industrial Development Board will conduct informal consultations for the preparation of the seventeenth session of the Conference. The outcome of these consultations will be brought to the attention of the Conference.

In accordance with decision IDB.45/Dec.14, paragraph (f), Member States are urged to submit to the informal consultations any proposed draft decisions or resolutions by 3 November 2017.

When considering the organization of work, it should be kept in mind that the budget for the Conference in the programme and budgets of UNIDO, 2016-2017, provides only for a total of five working days, comprising plenary, Main Committee and geographical group meetings. Moreover, in its decision on preparations for the General Conference (IDB.45/Dec.14) the Board agreed to hold a forum on industrial development issues within the framework of the Conference (item 10 of the provisional agenda). The draft tentative schedule for the seventeenth session of the Conference is shown in the annex to the present document.

The Conference will have before it:

- Lists of States included in Annex I to the Constitution of UNIDO (PBC.33/11)
- Report on the results of the informal consultations of Permanent Missions in Vienna for the preparation of the General Conference. Submitted by the President of the forty-fifth session of the Industrial Development Board, H.E. Ms. Paulina Franceschi Navarro (Panama) (GC.17/CRP.1)

Item 5. Credentials of representatives to the Conference

As stipulated in Article 8.1 of the Constitution of UNIDO, the Conference shall consist of representatives of all Members of the Organization. Membership in the Organization is defined in Article 3 of the Constitution. In accordance with rule 27 of the rules of procedure of the Conference, the credentials of representatives and the names and titles of the other persons constituting the Member's delegation

shall be submitted to the Director General if possible not less than one week before the opening of the session which the delegation will attend. Any later change in the composition of the delegation shall also be submitted to the Director General. The credentials of representatives shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs of the Member concerned. A Permanent Representative to the Organization does not require special credentials if his/her letter of accreditation to the Organization specifies that he/she is authorized to represent his/her Government at sessions of the Conference, it being understood that this does not preclude that Government from accrediting another person as its representative by means of special credentials.

A Credentials Committee of nine members shall be appointed at the beginning of the Conference on the proposal of the President. Its composition shall be based on that of the Credentials Committee of the United Nations General Assembly at its seventy-second session, which is as follows: Cabo Verde, China, Dominica, Indonesia, Ireland, the Russian Federation, Uganda, Uruguay and the United States of America. The Committee shall examine the credentials of representatives and report without delay to the Conference, which shall decide any question arising (rule 28).

Item 6. Appointment of the Director General

In accordance with Article 11.2 of the Constitution, the Director General shall be appointed by the Conference upon recommendation of the Board for a period of four years. Rule 103.4 of the rules of procedure of the Conference stipulates that the Conference shall also consider a draft contract, submitted to it at the same time by the Board for approval, establishing the terms and conditions of appointment of the Director General, including his salary and other emoluments attached to the office. When approved by the Conference, the contract of the appointment shall be signed by the new Director General and by the President of the Conference, acting in the name of the Organization.

The procedure to be followed by the Conference for the appointment of the Director General is contained in rule 104.

At its forty-fifth session, the Board decided to recommend to the Conference the appointment of Mr. LI Yong as Director General of UNIDO for a period of four years from 28 November 2017 or until the Director General to be appointed at the nineteenth regular session of the General Conference assumes office, whichever is later.
