Identical letters dated 7 March 2018 from the Permanent Representative of the Syrian Arab Republic to the United Nations addressed to the Secretary-General and the President of the Security Council

Following the numerous previous letters that I have addressed to you regarding the repeated and continuing terrorist attacks by armed terrorist groups on the city of Damascus and its suburbs, and upon instructions from my Government, I have the honour to submit herewith a table clarifying the number of civilians killed and injured as a result of rocket-propelled grenades and mortar shells launched by armed terrorist groups against safe neighbourhoods in Damascus from 3 to 5 March 2018. These terrorist attacks have killed and wounded many civilians, mostly women and children, as well as causing serious damage to public and private property and infrastructure.
