Кипрский вопрос

Совет Безопасности
Семьдесят третий год

**Письмо Временного поверенного в делах Постоянного
представительства Кипра при Организации Объединенных
Наций от 7 августа 2018 года на имя Генерального секретаря**

По поручению правительства моей страны настоящим препровождаю два документа со сведениями за июнь 2018 года о совершенных Турцией нарушениях международных правил воздушного движения и вторжениях в национальное воздушное пространство Республики Кипр (см. приложение I) и о незаконном использовании турецкими военными кораблями закрытых портов (см. приложение II).

Хотел бы также сообщить Вам, что оккупационный режим незаконно издал два извещения летным экипажам в связи с учениями, проводившимися турецкими военно-воздушными силами в июне 2018 года.

Следует отметить, что самолеты турецких коммерческих авиакомпаний систематически используют незаконный аэропорт Тимбу. Кроме того, Турция посредством радиообмена продолжает систематически создавать помехи для гражданской и военной авиации в районе полетной информации (РПИ) Никосии. При этом с прежней регулярностью продолжают вторжения в РПИ Никосии и национальное воздушное пространство Республики Кипр. Проводимая Турцией политика, проявляющаяся в постоянном нарушении норм международного права и пренебрежении международными правилами и положениями, угрожает безопасности международной гражданской авиации, отрицательно сказывается на стабильности в регионе и осложняет воздушное движение над Кипром.

Указанные действия Турции, которая с 1974 года незаконно оккупирует северную часть Республики Кипр, явно рассчитаны на подрыв суверенитета Республики Кипр, закрепление фактического разъединения и повышение статуса сепаратистского образования путем предъявления претензий на воздушное пространство над оккупированной территорией Республики. В этой связи я хотел бы вновь подчеркнуть, что на Кипре существует только одно законное государство — Республика Кипр, как это предусмотрено в различных резолюциях Совета Безопасности, в частности в резолюциях 541 (1983) и 550 (1984), в которых

Совет объявил создание так называемой «Турецкой Республики Северного Кипра» не имеющим законной силы.

От имени правительства моей страны я заявляю решительный протест в связи с продолжающимися нарушениями Турцией международных правил воздушного движения и ее вторжениями в национальное воздушное пространство и территориальные воды Республики Кипр и требую их немедленного прекращения. В этой связи Республика Кипр вновь призывает соблюдать принцип суверенитета и невмешательства, закрепленный в Уставе Организации Объединенных Наций.

Наконец, я настоятельно призываю Турцию и киприотов-турок прислушаться к призывам международного сообщества и содействовать реальному возобновлению мирного процесса, вместо того чтобы упорно добиваться подрыва суверенитета Республики Кипр, закрепления сохраняющегося фактического разделения и повышения статуса сепаратистского образования.

Буду признателен Вам за распространение настоящего письма и приложений к нему в качестве документа Генеральной Ассамблеи по пункту 44 повестки дня и документа Совета Безопасности.
