REPORT OF THE COMMITTEE ON CONTRIBUTIONS

Addendum

1. The Committee on Contributions at its session held in March 1956 authorized the Chairman to issue at a later date an addendum to its report^{1/} regarding the question of the application of Article 19 of the Charter.

2. The Chairman can now report that at the present time no Member State is in arrears in the payment of its financial contributions to the Organization to the extent that the provisions of Article 19 of the Charter would apply. Consequently no action under that Article is required.
