I. INTRODUCTION

1. At its 1st and 2nd meetings, on 17 September 1980, the General Committee considered a memorandum by the Secretary-General relating to the organization of the thirty-fifth regular session of the General Assembly, the adoption of the agenda and the allocation of items (A/BUR/35/1). A summary of the discussion will appear in the summary records of the meetings (A/BUR/35/SR.1 and 2).

II. ORGANIZATION OF THE SESSION

A. General Committee

2. At the suggestion of the Secretary-General (A/BUR/35/1, para. 4), the General Committee took note of paragraphs 1 and 2 of General Assembly decision 34/401, which read as follows:

"1. The General Committee should, at the outset of each session, consider how the work of the session can best be rationalized.

"2. The General Committee should also meet periodically throughout the session to review the progress of work and to make recommendations to the General Assembly on the general programme of the session and on measures aimed at improving its work."

B. Schedule of meetings

3. At the suggestion of the Secretary-General (ibid., para. 5), the General Committee draws the General Assembly's attention to paragraph 3 of its decision 34/401, which reads as follows:

"3. Both plenary and committee meetings should begin at 10.30 a.m. and 3 p.m. and, in order to expedite the work of the General Assembly, all meetings should begin promptly at the scheduled time."

C. General debate

4. At the suggestion of the Secretary-General (ibid., paras. 6 and 7), the General Committee recommends that:

(a) The general debate should begin on Monday, 22 September and end on Friday, 10 October 1980;

D. Explanations of vote

5. At the suggestion of the Secretary-General (*ibid.*, para. 8), the General Committee draws the attention of the General Assembly to paragraph 7 of its decision 34/401, which reads as follows:

"7. When the same draft resolution is considered in a Main Committee and in plenary meeting, a delegation should, as far as possible, explain its vote only once, i.e., either in the Committee or in plenary meeting unless that delegation's vote in plenary meeting is different from its vote in the Committee."

E. Closing date of the session

6. On the proposal of the Secretary-General (*ibid.*, para. 9), the General Committee recommends to the General Assembly that the closing date of the thirty-fifth session should be Tuesday, 16 December 1980.

F. Records of the Main Committees

7. On the proposal of the Secretary-General (*ibid.*, para. 10), the General Committee draws the General Assembly's attention to rule 58 of the rules of procedure which stipulates that the First Committee shall be provided with verbatim records and that no organ of the General Assembly shall have both verbatim and summary records. The General Committee therefore recommends that the verbatim records should be the official records of the First Committee and the summary records should remain the official records of all other Main Committees. In this connexion, the General Committee also recommends to the General Assembly that the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debates of some of its meetings, or portions thereof, should be maintained for the thirty-fifth session. Furthermore, the General Committee wishes to draw the General Assembly's attention to paragraph 10 (e) of its resolution 2538 (XXIV) of 11 December 1969, which reads as follows:

"Speeches or statements by representatives, by the Secretary-General or his representative, or by persons presenting reports on behalf of committees or other bodies, may be reproduced in extenso in summary records or as official documents only if they serve as bases for discussion, provided that the relevant decision is taken by the body concerned after a statement of the financial implications has been submitted in accordance with regulation 13.1 of the Financial Regulations of the United Nations."

In this connexion, the General Committee recommends to the General Assembly that the reproduction in extenso, as separate documents, of statements made in a Main Committee should henceforth be discontinued inasmuch as all Main Committees are provided with meeting records.

G. Election of the Chairmen of the Main Committees

8. At the suggestion of the Secretary-General (*ibid.*, para. 12), the General Committee draws the General Assembly's attention to paragraphs 18 and 19 of its decision 34/401, which read as follows:

"18. Before the conclusion of a session of the General Assembly, regional groups should agree on the distribution of chairmanships among them for the following session.

"19. Candidates for the chairmanships of the Main Committees should be nominated as soon as possible."

H. Concluding statements

9. At the suggestion of the Secretary-General (*ibid.*, para. 13), the General Committee draws the General Assembly's attention to paragraph 17 of its decision 34/401, which reads as follows:

"17. To save time at the end of the session, the practice of making concluding statements in the General Assembly and its Main Committees should be dispensed with except for statements by the presiding officers."

I. Budgetary and financial questions

10. At the suggestion of the Secretary-General (*ibid.*, paras. 14 and 15), who referred to rule 153 of the rules of procedure, the General Committee draws the General Assembly's attention to paragraphs 12 and 13 of its decision 34/401, which read as follows:

"12. It is imperative that Main Committees should allow sufficient time for the preparation of the estimate of expenditures by the Secretariat and for its consideration by the Advisory Committee on Administrative and Budgetary Questions and the Fifth Committee and that they should take this requirement into account when they adopt their programme of work.

"13. Furthermore:

(a) A mandatory deadline, not later than 1 December, should be established for the submission to the Fifth Committee of all draft resolutions with financial implications;

(b) The Fifth Committee should, as a general practice, consider accepting without debate the recommendations of the Advisory Committee on Administrative and Budgetary Questions on the financial implications of draft resolutions up to a prescribed limit, namely, \$25,000 on any one item;

/...

(c) Firm deadlines should be set for the early submission of the reports of subsidiary bodies which require consideration by the Fifth Committee;

(d) A minimum period of 48 hours should be allowed between the submission and the voting of a proposal involving expenditure in order to allow the Secretary-General to prepare and present the related statement of administrative and financial implications."

J. Documentation

11. At the suggestion of the Secretary-General (ibid., para. 16), the General Committee draws the General Assembly's attention to paragraph 28 of its decision 34/401, which reads as follows:

"28. The General Assembly, including its Main Committees, should merely take note of those reports of the Secretary-General or subsidiary organs which do not require a decision by the Assembly and should neither debate nor adopt resolutions on them, unless specifically requested to do so by the Secretary-General or the organ concerned."

12. In order to allow more time for consultations and clarification, the General Committee decided to defer until a subsequent meeting its consideration of paragraph 18 of the memorandum by the Secretary-General.

K. Resolutions

13. At the suggestion of the Secretary-General (ibid., para. 19), the General Committee draws the General Assembly's attention to paragraph 32 of its decision 34/401, which reads as follows:

"32. Whenever possible, resolutions requesting the discussion of a question at a subsequent session should not call for the inclusion of a separate new item and such discussion should be held under the item under which the resolution was adopted."

L. Special conferences

14. At the suggestion of the Secretary-General (ibid., para. 20), the General Committee draws the General Assembly's attention to recommendation 6 of the Committee on Conferences, 1/ adopted by the Assembly in paragraph (b) of its decision 34/405, which reads as follows:

1/ Official Records of the General Assembly, Thirty-fourth Session, Supplement No. 32 (A/34/32), para. 79.

"The Committee, taking into account difficulties encountered in ensuring adequate preparation of meetings, including timely distribution of documentation, as well as the ability of Member States to participate fully, recommends that the General Assembly should instruct the Main Committees to review the number of special conferences of the United Nations already proposed and scheduled in their respective fields of activity prior to deciding upon the scheduling of new and additional special conferences, thus bearing in mind the relevant portions of General Assembly resolution 33/55."

M. Planning of meetings

15. On the basis of a letter dated 16 September 1980 addressed to the President of the General Assembly by the Chairman of the Committee on Conferences, the General Committee recommends to the General Assembly that, in view of the special mandate entrusted to them, the United Nations Council for Namibia, the Committee on Relations with the Host Country and the Committee on the Exercise of the Inalienable Rights of the Palestinian People should be authorized to hold further substantive meetings during the thirty-fifth session of the Assembly.
