Fortieth year

Letter dated 10 June 1985 from the Permanent Representative  
of Afghanistan to the United Nations addressed to the  
Secretary-General

I have the honour to inform you that, in spite of the repeated protestations of the Government of the Democratic Republic of Afghanistan, the irresponsible aggressions of the militarist Government of Pakistan against our peaceful country, the Democratic Republic of Afghanistan, still continue. In connection with these aggressions, the Chargé d'affaires of the Pakistan Embassy in Kabul was summoned to the Ministry of Foreign Affairs of the Democratic Republic of Afghanistan at 1.30 p.m. on 6 June 1985, and the following was pointed out to him by the Director of the First Political Department:

"On 1 June 1985, shellings were conducted by recoilless guns and heavy machine-guns from 1.5 kilometres on the other side of the frontier on the south-western part of the residential areas of Barikot District, Kunar Province, as a result of which two civilian and military personnel were martyred and three others were wounded. On the same day, shots were also fired with the use of anti-aircraft weapons and heavy machine-guns on Afghan helicopters in the district of Barikot, which caused damage to one of the sides of one helicopter.

"The Government of the Democratic Republic of Afghanistan seriously condemns these hostile aggressions and protests over them to the Government of Pakistan. It is further mentioned that the militarist authorities of Pakistan should, as soon as possible, cease forthwith such aggressive actions and not further escalate tension in the frontier areas; otherwise, responsibility for their dangerous consequences shall rest with the militarist Government of Pakistan."

I have further the honour to request that this letter be circulated as a document of the General Assembly, under items 72, 73, 132, 133 and 138 of the preliminary list, and of the Security Council.
