## NOTE

Symbols of United Nations documents are composed of capital letters combined with figures. Mention of such a symbol indicates a reference to a United Nations document.

The resolutions and decisions of the General Assembly are identified as follows:

### Regular sessions

Until the thirtieth regular session, the resolutions of the General Assembly were identified by an arabic numeral followed by a roman numeral in parentheses indicating the session (for example: resolution 3363 (XXX)). When several resolutions were adopted under the same number, each of them was identified by a capital letter placed between the two numerals (for example: resolution 3367 A (XXX), resolutions 3411 A and B (XXX), resolutions 3419 A to D (XXX)). The decisions were not numbered.

Since the thirty-first session, as part of the new system adopted for symbols of General Assembly documents, resolutions and decisions have been identified by an arabic numeral, indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution 31/1, decision 31/301). When several resolutions or decisions were adopted under the same number, each of them has been identified by a capital letter placed after the two numerals (for example: resolution 31/16 A, resolutions 31/6 A and B, decisions 31/406 A to E).

### Special sessions

Until the seventh special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letter "S" and a roman numeral indicating the session (for example: resolution 3362 (S-VII)). The decisions were not numbered.

Since the eighth special session, resolutions and decisions have been identified by the letter "S" and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution S-8/1, decision S-8/11).

### Emergency special sessions

Until the fifth emergency special session, the resolutions of the General Assembly were identified by an arabic numeral followed, in parentheses, by the letters "ES" and a roman numeral indicating the session (for example: resolution 2252 (ES-V)). The decisions were not numbered.

Since the sixth emergency special session, resolutions and decisions have been identified by the letters "ES" and an arabic numeral indicating the session, followed by an oblique stroke and another arabic numeral (for example: resolution ES-6/1, decision ES-6/11).

In each of the series described above, the numbering follows the order of adoption.

## ANNEX

## BACKGROUND

1. At its resumed forty-fifth session, the General Assembly, in the annex to its resolution 45/264 of 13 May 1991, agreed that a review of the functioning of the subsidiary bodies of the Economic and Social Council and of the General Assembly should take place during the forty-sixth session of the Assembly. In the same resolution, the Assembly underlined the objectives of the overall exercise as being the enhancement of the effective and efficient functioning of the intergovernmental machinery of the United Nations system in the economic, social and related fields in order to be more responsive to the needs of enhancing international economic cooperation and promoting the development of the developing countries.

2. The review at the forty-sixth session of the General Assembly of the subsidiary bodies of the Economic and Social Council and the General Assembly should be carried out with the objective of possible restructuring and revitalization, and the review of their reporting responsibilities and procedures should be carried out with a view to avoiding duplication, where possible. The review should be on the basis of the criteria listed in paragraph 6 (3) of the annex to resolution 45/264.

## FRAMEWORK

3. Some consideration has been given to the restructuring and revitalization of the subsidiary machinery in the social and related fields in the United Nations. Similar attention should be given to the restructuring and revitalization of the subsidiary machinery of the economic sector of the United Nations, with a view to its strengthening.

4. In accordance with the basic principles and guidelines for the restructuring and revitalization of the United Nations in the economic, social and related fields outlined in resolution 45/264, the following common understanding should guide the entire exercise of the restructuring and revitalization of the subsidiary bodies, with the aim of adopting measures to sustain and strengthen the quality and impact of the output of these bodies:

(a) The issues of which the subsidiary bodies are seized are of vital importance to Member States, especially for the development of developing countries;

(b) The ability of the United Nations system to deal more effectively with such vital issues should help to enhance its relevance and credibility in the economic, social and related fields;

(c) Activities in pursuance of these issues must be implemented in an effective and efficient manner in order to enhance international economic cooperation and to promote, in particular, the development of developing countries;

(d) Subsidiary bodies should provide the General Assembly and the Economic and Social Council, as principal organs of the United Nations responsible for system-wide policies in the economic, social and related fields, with high-quality advice on relevant issues, through analysis and appropriate policy recommendations or options, in order to enable them to guide future work in the United Nations, develop common policies and agree on appropriate actions;

(e) The composition of each subsidiary body that does not have universal participation must be determined with due regard to equitable geographical representation. Members will be eligible for re-election;

(f) In cases where Governments or government-nominated experts are elected to subsidiary bodies, the experts should possess the necessary qualifications and professional or scientific knowledge. Travel and/or daily subsistence allowance to cover the participation of experts shall be financed from the regular budget in accordance with established rules;

(g) No single or uniform approach to restructuring and revitalization is applicable to all subsidiary bodies. Each body must be reviewed on its own merits through an open and thorough process.

## REPORTING PROCEDURES FOR SUBSIDIARY BODIES

5. The Economic and Social Council should provide guidance to and follow up the work of its subsidiary bodies whose reports should contain clear and cogent recommendations and proposals to facilitate their consideration by a revitalized Economic and Social Council in a substantive and integrated manner.

## SUBSIDIARY BODIES IDENTIFIED FOR RESTRUCTURING AND REVITALIZATION

6. *Regional commissions*

The regional commissions should be enabled fully to play their role under the authority of the General Assembly and the Economic and Social Council. Their effectiveness should be strengthened. The regional commissions, particularly those located in developing countries, should also be strengthened in terms of their activities and participation in operational activities of the United Nations system, bearing in mind the overall objectives of the restructuring and the revitalization process and taking into account paragraph 3 (h) of the annex to General Assembly resolution 45/264. In this context, the regional commissions are requested to provide recommendations for consideration by the General Assembly at its forty-seventh session.

*Expressing grave alarm* at continuing reports of widespread violations of international humanitarian law occurring within the territory of the former Yugoslavia and especially in Bosnia and Herzegovina, including reports of mass forcible expulsion and deportation of civilians, imprisonment and abuse of civilians in detention centres and deliberate attacks on non-combatants, hospitals and ambu-

lances, impeding the delivery of food and medical supplies to the civilian population, as well as wanton devastation and destruction of property,

*Strongly condemning* the abhorrent practice of "ethnic cleansing", which constitutes a grave and serious violation of international humanitarian law,

*Recalling* the report of the Secretary-General of 12 May 1992, in which he states that "all international observers agree that what is happening is a concerted effort by the Serbs of Bosnia and Herzegovina, with the acquiescence of, and at least some support from, the Yugoslav People's Army, to create 'ethnically pure' regions in the context of negotiations on the 'cantonization' of the Republic in the Conference of the European Community on Bosnia and Herzegovina",<sup>29</sup>

*Expressing grave concern* that, despite the relevant resolutions of the Security Council, no effective measure has been implemented to stop the abhorrent practice of "ethnic cleansing", or to reverse and discourage the policies and proposals that might encourage it,

*Appalled* by the continuing reports of widespread, massive and grave violations of human rights perpetrated within the territory of the former Yugoslavia and especially in Bosnia and Herzegovina, including reports of summary and arbitrary executions, forced disappearances, torture, rape and other cruel, inhuman or degrading treatment, as well as arbitrary arrest and detention,

*Expressing grave concern* that, despite repeated demands by the Security Council, the cease-fire agreed upon by all parties has not been respected,

*Concerned* that other demands made by the Security Council in its relevant resolutions, especially resolutions 752 (1992) of 15 May 1992, 757 (1992) of 30 May 1992, 764 (1992) of 13 July 1992 and 770 (1992) and 771 (1992) of 13 August 1992, have not been complied with,

*Reaffirming* the necessity of respecting the sovereignty, territorial integrity, political independence and national unity of the Republic of Bosnia and Herzegovina, and rejecting any attempt to change the boundaries of that Republic,

*Reaffirming also* the inherent right of the Republic of Bosnia and Herzegovina to individual or collective self-defence in accordance with Article 51 of the Charter,

*Underlining* the imperative need for an urgent peaceful solution to the situation in Bosnia and Herzegovina, in conformity with the Charter and the principles of international law, in particular the principles of respect for sovereignty and territorial integrity of States, non-recognition of the fruits of aggression and non-recognition of the acquisition of territory by force, and welcoming in this context the International Conference on the Former Yugoslavia, scheduled to be convened in London on 26 August 1992,

*Commending* the efforts of the Secretary-General, the Security Council, United Nations agencies, including the Office of the United Nations High Commissioner for Refugees, and other international and relief organizations, including the Organization of the Islamic Conference, the European Community, the Conference on Security and Co-operation in Europe and the International Committee of the Red Cross,

*Commending also* the United Nations Protection Force for its continuing action in support of the relief operation in Sarajevo and other parts of Bosnia and Herzegovina,

*Deeply concerned* about the safety of the personnel of the United Nations Protection Force and expressing sympathy for the losses suffered by them,

1. *Demands* that all parties to the conflict immediately stop fighting and find a peaceful solution in line with the Charter of the United Nations and the principles of international law, in particular the principles of respect for sovereignty and territorial integrity of States, non-recognition of the fruits of aggression and non-recognition of the acquisition of territory by force;

2. *Demands also* that all forms of interference from outside the Republic of Bosnia and Herzegovina cease immediately;

3. *Demands further* that those units of the Yugoslav People's Army and elements of the Croatian Army now in Bosnia and Herzegovina must either be withdrawn, or be subject to the authority of the Government of Bosnia and Herzegovina, or be disbanded and disarmed with their weapons placed under effective international monitoring, and requests the Secretary-General to consider without delay what kind of international assistance could be provided in this connection;

4. *Reaffirms* its support for the Government and people of the Republic of Bosnia and Herzegovina in their just struggle to safeguard their sovereignty, political independence, territorial integrity and unity;

5. *Urges* the Security Council to consider, on an urgent basis, taking further appropriate measures, as provided in Chapter VII of the Charter, to put an end to the fighting and to restore the unity and the territorial integrity of the Republic of Bosnia and Herzegovina;

6. *Condemns* the violation of the sovereignty, territorial integrity and political independence of the Republic of Bosnia and Herzegovina as well as the massive violations of human rights and international humanitarian law, in particular the abhorrent practice of "ethnic cleansing", and demands that this practice be brought to an end immediately and that further steps be taken, on an urgent basis, to stop the massive and forcible displacement of population from and within the Republic of Bosnia and Herzegovina, as well as all other forms of violation of human rights in the former Yugoslavia;

7. *Affirms* that States are to be held accountable for violations of human rights which their agents commit upon the territory of another State;

8. *Calls upon* all States and international organizations not to recognize the consequences of the acquisition of territory by force and of the abhorrent practice of "ethnic cleansing";

9. *Demands* that the International Committee of the Red Cross be granted immediate, unimpeded and continued access to all camps, prisons and other places of detention within the territory of the former Yugoslavia and that all parties ensure complete safety and freedom of movement for the International Committee and otherwise facilitate such access;

10. *Demands also* the safe, unconditional and honourable repatriation of the refugees and deportees to their homes in Bosnia and Herzegovina and recognizes their right to receive reparation for their losses;

11. *Calls upon* organs of the United Nations and all international relief agencies to facilitate the return of the displaced people to their homes in the Republic of Bosnia and Herzegovina, as well as their rehabilitation;

## 46/191. United Nations common system

B<sup>1</sup>*The General Assembly,*

*Recalling* its resolution 45/268 of 28 June 1991 and, in particular, its resolution 46/191 A of 20 December 1991,

*Emphasizing* the importance of, and benefits derived from, maintaining a coherent and unified United Nations common system,

*Acknowledging* that the United Nations common system should be responsive to the special needs and concerns of the participating organizations, while emphasizing that such needs and concerns should be addressed within the common system,

*Emphasizing* the obligation of all organizations of the United Nations common system to consult and cooperate fully with the International Civil Service Commission and the United Nations Joint Staff Pension Board on matters relating to conditions of service and pensions,

*Noting* that the Administrative Council of the International Telecommunication Union recognized, in its resolution No. 1024 of 8 July 1992, that the action taken by the Union in regard to a special post allowance was incompatible with the common system,

*Considering* that the adoption of Administrative Council resolution No. 1024 does not prohibit further payment of the special post allowance,

*Recognizing* that such payment is in contravention of staff regulation 3.8 (b) of the International Telecommuni-

cation Union as well as the accepted norms of the United Nations common system,

*Noting with deep concern* that prior consultation with the International Civil Service Commission by the International Telecommunication Union as called for in General Assembly resolution 46/191 A, section II, paragraph 7, had not taken place,

1. *Strongly deplores* the decision of the Secretary-General of the International Telecommunication Union to make payment of the special post allowance to headquarters Professional staff in the circumstances described in paragraphs 33 to 35 of the report of the International Civil Service Commission;<sup>2</sup>

2. *Determines* that such payment is in contravention of General Assembly resolution 46/191 A;

3. *Regrets* that the Administrative Council of the International Telecommunication Union did not explicitly exclude further payment of the special post allowance;

4. *Reiterates* its endorsement of the view of the International Civil Service Commission that the action taken by the International Telecommunication Union in regard to special post allowances is incompatible with the common system;

5. *Calls upon* executive heads and governing bodies of the United Nations common system to respect fully the decisions taken by the General Assembly, on the recommendations of the International Civil Service Commission and the United Nations Joint Staff Pension Board, concerning the conditions of service of the staff, and points out that failure to do so on the part of any organization could preju-

dice its claim to enjoy the benefits of participation in the common system;

6. *Stresses* that the action of the International Telecommunication Union should in no way be invoked as a precedent by other organizations or by the Union itself;

7. *Calls again upon* the organizations of the United Nations common system to refrain from seeking to establish for their staff, whether by provisions in their staff regulations or by other means, additional entitlements and benefits;

8. *Requests* the executive heads of the participating organizations to consult the International Civil Service Commission and the United Nations Joint Staff Pension Board prior to the submission of proposals relating to staff conditions of service to their respective governing bodies, in order to avoid action inconsistent with the statute of the Commission and the Regulations of the United Nations Joint Staff Pension Fund as accepted by the organizations;

9. *Requests* the International Civil Service Commission, at its current session, to assess the impact on the United Nations common system of resolution No. 1024 of the Administrative Council of the International Telecommunication Union with respect to the payment of the special post allowance, the interpretation of staff rules and the convening of the tripartite consultative group outside the rules of procedure of the Commission, and to recommend in its report to the General Assembly at its forty-seventh session appropriate measures to be taken by the Assembly;

10. *Also requests* the International Civil Service Commission, at its current session, to propose measures to be undertaken by all organizations of the United Nations common system to enforce and enhance respect for, and adherence to, the common system of salaries, allowances and conditions of service, and to report thereon to the General Assembly at its forty-seventh session, as well as on its consideration of the question of the improvement of the responsiveness of the common system to the concerns and needs of the different organizations;

11. *Calls upon* the Economic and Social Council, at its substantive session of 1993, to review and, where appropriate, strengthen the applicable sections of the relationship agreements between the United Nations and member organizations of the United Nations common system, in particular article VIII of the Agreement between the United Nations and the International Telecommunication Union,<sup>3</sup> in order to enhance comparability and further adherence to the goals and objectives of the common system;

12. *Requests* the International Telecommunication Union to ensure that any consultative meeting convened pursuant to Administrative Council resolution No. 1024 proceeds with the clear awareness that the General Assembly is the authority for determining conformity with the United Nations common system.

#### **46/195. Financing of the United Nations Angola Verification Mission II**

**B<sup>4</sup>**

*The General Assembly,*

*Having considered* the note by the Secretary-General on the financing of the United Nations Angola Verification

Mission<sup>5</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>6</sup>

*Bearing in mind* Security Council resolution 626 (1988) of 20 December 1988, by which the Council established the United Nations Angola Verification Mission, Council resolution 696 (1991) of 30 May 1991, by which the Council decided to entrust a new mandate to the United Nations Angola Verification Mission (thenceforth called the United Nations Angola Verification Mission II) and Council resolution 747 (1992) of 24 March 1992, by which the Council decided to enlarge the mandate to include an Electoral Division for the purpose of observing and verifying the Angolan electoral process for the remainder of the existing mandate period, that is, until 31 October 1992,

*Reaffirming* that the costs of the Verification Mission are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

*Recalling* its previous decisions regarding the fact that, in order to meet the expenditures caused by the Verification Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

*Bearing in mind* the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

*Mindful* of the fact that it is essential to provide the Verification Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;<sup>6</sup>

2. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the United Nations Angola Verification Mission II in full and on time;

3. *Decides* to appropriate to the Special Account for the Verification Mission an additional amount of 15 million United States dollars gross (14 million dollars net), inclusive of the amount of 2.9 million dollars authorized with the concurrence of the Advisory Committee, under the terms of General Assembly resolution 46/187 of 20 December 1991, for the operation of the Verification Mission for the period from 1 January to 31 October 1992;

4. *Decides also*, as an ad hoc arrangement, to apportion the amounts indicated in paragraph 3 above among Member States in accordance with the composition of the groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/195 A of 20 December 1991, and taking into account the scale of assessments for the years 1992, 1993 and 1994;<sup>7</sup>

5. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member

States, as provided for in paragraph 4 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of one million dollars approved for the Verification Mission;

6. *Decides* to consider the contributions of Armenia, Azerbaijan, Bosnia and Herzegovina, Croatia, Georgia, Kazakhstan, Kyrgyzstan, the Republic of Moldova, San Marino, Slovenia, Tajikistan, Turkmenistan and Uzbekistan to the Verification Mission in accordance with the rates of assessment to be adopted by the General Assembly for these Member States at its forty-seventh session;

7. *Decides also* that the vehicles transferred to the Verification Mission from the United Nations Mission for the Referendum in Western Sahara should be of no cost to the Verification Mission;

8. *Decides further* that, should additional requirements arise, the Secretary-General could continue to avail himself, with the prior concurrence of the Advisory Committee, of the commitment authority granted under General Assembly resolution 46/195 A;

9. *Invites* the new Member States listed in paragraph 6 above to make advance payments against their assessed contributions to be determined;

10. *Invites* voluntary contributions to the Verification Mission in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A of 21 December 1989 and 45/258 of 3 May 1991;

11. *Requests* the Secretary-General to take all necessary action to ensure that all United Nations activities related to the Angolan peace process, including the elections, are administered in a coordinated fashion with a maximum of efficiency and economy and in accordance with the relevant mandates.

#### **46/198. Financing of the United Nations Advance Mission in Cambodia**

**B<sup>8</sup>**

*The General Assembly,*

*Having considered* the report of the Secretary-General on the financing of the United Nations Advance Mission in Cambodia<sup>9</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>10</sup>

*Bearing in mind* Security Council resolution 717 (1991) of 16 October 1991, by which the Council established the United Nations Advance Mission in Cambodia,

*Recalling* its resolution 46/198 A of 20 December 1991 on the financing of the Advance Mission,

*Bearing in mind also* Security Council resolution 728 (1992) of 8 January 1992, by which the Council approved the proposal of the Secretary-General to expand the mandate of the Advance Mission,

*Recognizing* that the costs of the Advance Mission are expenses of the Organization to be borne by Member

States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

*Recognizing also* that, in order to meet the expenditures caused by the Advance Mission, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

*Bearing in mind* the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

*Noting with appreciation* that voluntary contributions have been made to the Advance Mission by certain Member States,

*Mindful* of the fact that it is essential to provide the Advance Mission with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

1. *Concurs* with the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;<sup>10</sup>

2. *Urges* all Member States to make every possible effort to ensure payment of their assessed contributions to the United Nations Advance Mission in Cambodia in full and on time;

3. *Decides* to appropriate an amount of 19,257,000 United States dollars gross (19,204,000 dollars net), inclusive of the amount of 10 million dollars authorized by the Advisory Committee under the terms of General Assembly resolution 46/187 of 20 December 1991 for the expansion of the Advance Mission for the period from 15 January to 30 April 1992;

4. *Decides also*, as an ad hoc arrangement, to apportion the amount of 19,257,000 dollars gross (19,204,000 dollars net) among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 A, and taking into account the scale of assessments for the years 1992, 1993 and 1994;<sup>7</sup>

5. *Decides further* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 4 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 53,000 dollars approved for the period from 15 January to 30 April 1992, inclusive;

6. *Authorizes* the Secretary-General to enter into commitments for the Advance Mission at a rate not to exceed 6,176,900 dollars gross (6,054,000 dollars net) per month for the period beyond 30 April 1992, subject to the concurrence of the Advisory Committee, should the Security Council decide to continue the Advance Mission beyond that date, the said amount to be apportioned among Member States in accordance with the scheme set out in the present resolution;

7. *Invites* voluntary contributions to the Advance Mission in cash and in the form of services and supplies ac-

ceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolution 44/192 A of 21 December 1989;

8. *Requests* the Secretary-General to take all necessary action to ensure that the Advance Mission is administered with a maximum of efficiency and economy.

14 February 1992*

**46/222. Financing of the United Nations Advance Mission in Cambodia and the United Nations Transitional Authority in Cambodia**

**A**

**FINANCING OF THE UNITED NATIONS TRANSITIONAL AUTHORITY IN CAMBODIA**

*The General Assembly,*

*Recalling* its resolutions 46/18 of 20 November 1991 and 46/198 A of 20 December 1991,

*Having considered* the report of the Secretary-General on the financing of the initial phase of the implementation plan of the United Nations Transitional Authority in Cambodia<sup>11</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>12</sup>

*Bearing in mind* Security Council resolution 717 (1991) of 16 October 1991, by which the Council established the United Nations Advance Mission in Cambodia to be emplaced immediately after the signing of the agreements on a comprehensive political settlement of the Cambodia conflict,

*Bearing in mind also* Security Council resolution 718 (1991) of 31 October 1991, by which the Council expressed its full support for the agreements on a comprehensive political settlement of the Cambodia conflict (Paris agreements), signed in Paris on 23 October 1991,<sup>13</sup> which, *inter alia*, call for the establishment of a United Nations Transitional Authority in Cambodia,

*Noting* that the unusual approach of seeking a substantial appropriation in advance of the review and approval by the General Assembly of the detailed cost estimate of the Transitional Authority is prompted by the extraordinary circumstances of the tasks to be performed by the Transitional Authority and the consequent need to obtain in a timely manner the large quantities of equipment and services it will require, as reflected in the statement of the Secretary-General in his report<sup>11</sup> and the exchange of letters between the Secretary-General and the President of the Security Council reproduced therein,<sup>14</sup> and in the statement by the representative of the Secretary-General to the Fifth Committee at its 58th meeting,<sup>15</sup>

*Noting also* that the plan for implementing the mandate envisaged in the Paris agreements is under preparation and is to be submitted to the Security Council at the earliest possible date,

*Recognizing* that the costs to prepare for the deployment of the Transitional Authority are part of the total expenses of the operation and as such are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

*Recognizing also* that, in order to meet the expenditures for the deployment of the Transitional Authority, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

*Bearing in mind* the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

*Mindful* of the fact that it is essential to provide the necessary financial resources to enable the Secretary-General to fulfil the tasks envisaged in the Paris agreements as supported by the Security Council and the General Assembly in their respective resolutions and to prepare for the deployment of the Transitional Authority,

1. *Endorses* the observations and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions;<sup>12</sup>

2. *Urges* all Member States to ensure payment of their assessed contributions in full and on time;

3. *Decides* to appropriate an amount of 200 million United States dollars to meet the initial, unavoidable requirements, as indicated in the reports of the Secretary-General and of the Advisory Committee, to enable the Secretary-General to initiate the action necessary for a timely deployment of the United Nations Transitional Authority in Cambodia consistent with the eventual plan of implementation, and requests the Secretary-General to establish a special account for the Transitional Authority;

4. *Decides also* to take into account the amount of 200 million dollars appropriated above against the full assessments to be levied on Member States upon the approval of the total cost estimates of the Transitional Authority;

5. *Decides further*, as an ad hoc arrangement, to apportion the amount of 200 million dollars among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 A, and taking into account the scale of assessments set out in Assembly resolution 46/221 A of 20 December 1991;

6. *Invites* voluntary contributions to the Transitional Authority in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolution 44/192 A of 21 December 1989;

7. *Requests* the Secretary-General to take all necessary action to ensure that resources to prepare for the deployment of the Transitional Authority are administered with a maximum of efficiency and economy, and bearing in mind paragraph 11 of the report of the Advisory Committee and the status of the Security Council actions on the Transitional Authority;

8. *Also requests* the Secretary-General to submit to the General Assembly during its forty-sixth session, through

the Advisory Committee, the full and detailed budget of the Transitional Authority.

*81st plenary meeting  
14 February 1992*

*Bearing in mind* Security Council resolution 717 (1991) of 16 October 1991, by which the Council established the United Nations Advance Mission in Cambodia and Council resolution 728 (1992) of 8 January 1992, by which the Council approved the proposal of the Secretary-General to expand the mandate of the Advance Mission,<sup>16</sup> especially with regard to the provision of assistance in mine clearing by Cambodians,

*Bearing in mind also* Security Council resolution 718 (1991) of 31 October 1991, by which the Council expressed its full support for the agreements on a comprehensive political settlement of the Cambodia conflict (Paris agreements), signed in Paris on 23 October 1991,<sup>13</sup> and Council resolution 745 (1992) of 28 February 1992, by which the Council established the United Nations Transitional Authority in Cambodia in accordance with the report of the Secretary-General of 19 February 1992<sup>17</sup> for a period not to exceed eighteen months,

*Having considered* the report of the Secretary-General on the financing of the Advance Mission and the Transitional Authority<sup>18</sup> and the related report of the Advisory Committee on Administrative and Budgetary Questions,<sup>19</sup>

*Noting* that the budgetary estimates for the Advance Mission and the Transitional Authority as contained in the report of the Secretary-General amount to 1,721,596,700 United States dollars gross (1,699,512,600 dollars net) for the period from 1 November 1991 to 31 July 1993,

*Noting also* that the duration of the mandate of the Advance Mission extended from the signature of the Paris agreements until the establishment of the Transitional Authority by the Security Council, at which time the Advance Mission was absorbed into the Transitional Authority,

*Recognizing* that the costs of the Advance Mission and the Transitional Authority, as indicated in paragraph 7 of the report of the Secretary-General, are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

*Recognizing also* that, in order to meet the expenditures caused by the Advance Mission and the Transitional Authority, a different procedure is required from the one applied to meet expenditures of the regular budget of the United Nations,

*Taking into account* the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

*Bearing in mind* the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

*Mindful* of the fact that it is essential to provide the Advance Mission and the Transitional Authority with the necessary financial resources to enable them to fulfil their responsibilities under the relevant resolutions of the Security Council,

5. *Decides also*, as an ad hoc arrangement, to apportion the amount of 606 million dollars gross (600 million dollars net) among Member States in accordance with the composition of groups set out in paragraphs 3 and 4 of General Assembly resolution 43/232 of 1 March 1989, as adjusted by the Assembly in its resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991 and 46/198 A of 20 December 1991, and taking into account the scale of assessments for the years 1992, 1993 and 1994;<sup>7</sup>

6. *Requests* the Secretary-General to report to the General Assembly at its forty-seventh session on anomalies in the allocation of countries to the four groups set out in General Assembly resolution 43/232, as adjusted by the Assembly in its resolutions 44/192 B, 45/269 and 46/198 A and applied as an ad hoc arrangement to the financing of the Transitional Authority, taking into account Assembly resolution 46/206 of 20 December 1991 and other relevant resolutions of the Assembly, including resolution 3101 (XXVIII) of 11 December 1973;

7. *Decides* that, in accordance with the provisions of its resolution 973 (X) of 15 December 1955, there shall be set off against the apportionment among Member States, as provided for in paragraph 5 above, their respective share in the Tax Equalization Fund of the estimated staff assessment income of 6 million dollars approved for the Advance Mission and the Transitional Authority;

8. *Decides also* to consider the contributions of Armenia, Azerbaijan, Kazakhstan, Kyrgyzstan, the Republic of Moldova, San Marino, Tajikistan, Turkmenistan and Uzbekistan to the Advance Mission and the Transitional Authority in accordance with the rates of assessment to be

adopted for these Member States by the General Assembly at its forty-seventh session;

9. *Invites* the new Member States listed in paragraph 8 above to make advance payments against their assessed contributions to be determined;

10. *Reiterates* the need for increased use of civilian personnel provided by Governments in relevant sectors of peace-keeping operations, as called for in General Assembly resolutions 44/192 A of 21 December 1989 and 45/258 of 3 May 1991, and requests the Secretary-General to encourage the participation of such personnel in the civilian components of the Transitional Authority in accordance with the recommendations contained in paragraphs 24 and 25 of the report of the Advisory Committee;

11. *Takes note* of the views expressed by the Secretary-General in paragraph 46 of his report<sup>18</sup> with respect to the repatriation programme to be undertaken by the Office of the United Nations High Commissioner for Refugees, and, since the implementation and integrity of the electoral process is dependent upon the prior repatriation of Cambodian refugees, calls upon Member States and others to make voluntary contributions in support of the repatriation programme;

12. *Calls upon* Member States and others to make voluntary contributions to the rehabilitation programme referred to in paragraph 47 of the report of the Secretary-General;

13. *Invites* voluntary contributions to the Transitional Authority in cash and in the form of services and supplies acceptable to the Secretary-General, to be administered, as appropriate, in accordance with the procedure established by the General Assembly in its resolutions 43/230 of 21 December 1988, 44/192 A and 45/258;

14. *Requests* the Secretary-General to take all necessary action to ensure that the Transitional Authority is administered with a maximum of efficiency and economy;

15. *Also requests* the Secretary-General to submit to the General Assembly, no later than at its forty-seventh session, a report on such additional requirements as may be necessary and to include in the report detailed and up-to-date information on the performance of the Transitional Authority;

16. *Decides* to include in the provisional agenda of its forty-seventh session the item entitled "Financing of the United Nations Transitional Authority in Cambodia".
