The General Assembly,

Noting that since then national reports on military expenditures have voluntarily been submitted by a number of Member States belonging to different **geographic** regions,

Expressing its appreciation to the Secretary-General **for** providing Member States with the reports on military expenditures,

Welcoming the decision **of** the States participating in the Conference on Security and Cooperation in Europe, as contained in the 1990 Vienna document of the negotiations on **confidence-** and security-building measures, to exchange annually information on their military budgets, on the basis of the categories **of** the United Nations standardized reporting **system** on military expenditures,

Welcoming the recent progress achieved **in** arms limitations and disarmament, which, in the long term, will lead to significant reductions **in** military expenditures,
