3. The performance report of the International Tribunal for the Former Yugoslavia reflects a requirement for additional appropriations of \$21.4 million gross, resulting from technical adjustments as follows: an increase of \$15,524,600 relating to changes in exchange rates and inflation assumptions and an increase of \$5,912,000 associated with adjustments to standard costs.

4. As indicated in the two reports, in response to General Assembly resolution 59/282 of 13 April 2005, the Secretary-General has submitted a report to the Assembly on conditions of service and compensation for the members of the International Court of Justice and the judges of the Tribunals (A/61/554). Subject to action to be taken by the Assembly at the main part of its sixty-first session on these proposals, any resulting additional requirements would be reflected in the revised appropriation for the biennium 2006-2007 to the Special Accounts for the Tribunals.

5.
