I. Introduction

1. The present report is submitted pursuant to General Assembly resolutions 61/26 and 61/27. In its resolution 61/26, the Assembly welcomed the decision of those States that had established diplomatic missions in Jerusalem to withdraw their missions from the city, in compliance with Security Council resolution 478 (1980). In its resolution 61/27, which deals with Israeli policies in the Syrian territory occupied by Israel since 1967, the Assembly demanded once more that Israel withdraw from all the occupied Syrian Golan to the line of 4 June 1967 in implementation of the relevant Security Council resolutions.

2. In order to fulfil the reporting responsibility of the Secretary-General under resolutions 61/26 and 61/27, on 8 June 2007 notes verbales were addressed to the Permanent Representative of Israel to the United Nations and to the Permanent Representatives of other Member States requesting them to inform the Secretary-General of any steps their Governments had taken or envisaged taking concerning implementation of the relevant provisions of those resolutions. As at 24 August 2007, replies had been received from Italy, Mexico and the United Arab Emirates. Those replies are reproduced in section II of the present report.

Italy

[Original: English]

1. With reference to the request contained in the Secretary-General's note verbale dated 8 June 2007, the Permanent Mission of Italy to the United Nations has the honour to assure the Secretary-General that the position of the Italian Government on the territories occupied by Israel in the city of Jerusalem and in the region of the Golan is based upon the provisions contained in the Geneva Convention relative to the Protection of Civilian Persons in Time of War, to which Italy is a State party.

2. Furthermore, the Permanent Mission of Italy wishes to recall that Italy fully aligns itself with the position of the European Union, according to which no changes to the pre-1967 status of the Palestinian territories will be recognized other than that agreed by both parties.

Mexico

[Original: Spanish]

1. In response to the Secretary-General's request, in his note verbale of 8 June 2007, regarding the measures adopted by Mexico to implement the relevant provisions of General Assembly resolutions 61/26 and 61/27 concerning Jerusalem and the Syrian Golan respectively, the Permanent Mission of Mexico to the United Nations is pleased to transmit the following information from the Government of Mexico:

(b) With regard to resolution 61/27, it is relevant to note that Mexico supports the efforts of the international community to achieve a just and lasting solution to the conflict in the Middle East in conformity with Security Council resolutions 242 (1967) and 338 (1973).
