Taking note of the letter dated 17 June 2013 from the Chair of the Advisory Commission of the Agency to the Commissioner-General,²

Deeply concerned about the extremely critical financial situation of the Agency, caused in part by the structural underfunding of the Agency, as well as its rising expenditures resulting from the deterioration of the socioeconomic and humanitarian conditions and the rising instability in the region and their significant negative impact on the provision of necessary Agency services to the Palestine refugees, including its emergency-related and development programmes in all fields of operation,

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,³

Recalling also the Convention on the Safety of United Nations and Associated Personnel,⁴

Aware of the continuing needs of the Palestine refugees in all fields of operation, namely, Jordan, Lebanon, the Syrian Arab Republic and the Occupied Palestinian Territory,

Gravely concerned about the extremely difficult socioeconomic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the continuing prolonged Israeli closures, the construction of settlements and the wall, and the severe economic and movement restrictions that in effect amount to a blockade, which, despite measures taken by Israel in 2012 and 2013, have deepened unemployment and poverty rates among the refugees, with potentially lasting, long-term negative effects,

Deploring the loss of civilian lives, including women and children, as a result of the hostilities that affected the Gaza Strip and Israel in November 2012,

Commending the extraordinary efforts by the Agency to provide emergency relief, medical, food, shelter and other humanitarian assistance to needy and displaced families in the Gaza Strip,

Recalling, in this regard, its resolution ES-10/18 of 16 January 2009 and Security Council resolution 1860 (2009) of 8 January 2009,

Expressing regret over the continued restrictions that impede the Agency's efforts to repair and rebuild thousands of damaged or destroyed refugee shelters, and calling upon Israel to ensure the unimpeded import of essential construction materials into the Gaza Strip and to reduce the burdensome cost of importation of Agency supplies, while taking note of recent developments regarding the situation of access there,

Expressing concern about the severe classroom shortage in the Gaza Strip and the consequent negative impact on the right to education of refugee children as a result of the constraints on the ability of the Agency to construct new schools due to Israel's ongoing restrictions impeding the entry of necessary construction materials into the Gaza Strip,

Stressing the urgent need for the advancement of reconstruction in the Gaza Strip, including by ensuring the timely facilitation of construction projects and by sustaining the swift entry of construction materials needed for projects managed by the Agency, and the need for the accelerated implementation of other urgent United Nations-led civilian reconstruction activities,

Urging the timely disbursement of remaining pledges made at the International Conference in Support of the Palestinian Economy for the Reconstruction of Gaza, held in Sharm el-Sheikh, Egypt, on 2 March 2009, to accelerate the reconstruction process,

Noting with appreciation the completion of the first phase and near-completion of the second phase of the project to rebuild the Nahr el-Bared refugee camp, commending the Government of Lebanon, donors, the Agency and other concerned parties for the important progress made and for the continuing efforts to assist affected and displaced refugees, and emphasizing the need for additional funding to complete the reconstruction of the camp and end the displacement of its 27,000 residents without delay,

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees, and recalling the need for the protection of all civilians in situations of armed conflict,

Deploring the endangerment of the safety of the Agency's staff and the damage and destruction caused to the facilities and properties of the Agency during the period covered by the report of the Commissioner-General, and stressing the need to maintain the neutrality of and safeguard the inviolability of United Nations premises, installations and equipment,

Deploring also the extensive damage and destruction of Agency facilities in the Gaza Strip caused during the military operations between December 2008 and January 2009, including schools where civilians were sheltered and the Agency's main compound and warehouse, as reported in the summary by the Secretary-General of the report of the Board of Inquiry⁶ and in the report of the United Nations Fact-finding Mission on the Gaza Conflict,⁷

Deploring further, in this regard, the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference and the failure to protect United Nations personnel, premises and property,

Deploring the killing and injury of Agency staff members by the Israeli occupying forces in the Occupied Palestinian Territory since September 2000,

Deploring also the killing and wounding of refugee children in the Agency schools by the Israeli occupying forces during the military operations between December 2008 and January 2009,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,
