**General Assembly  
Seventy-third session  
Agenda item 45  
Question of Cyprus****Security Council  
Seventy-fourth year****Letter dated 17 April 2019 from the Chargé d'affaires a.i. of the  
Permanent Mission of Cyprus to the United Nations addressed to  
the Secretary-General**

Upon instructions from my Government, I enclose herewith four documents detailing the violations of the national airspace of Cyprus, and the infringements of international air traffic regulations in its flight information region and the illegal use of closed ports and airports in Cyprus by Turkey during the months of January and February 2019 (see annexes I–IV).\*

This persistent policy of violating international law and breaching international rules and regulations is a constant threat to international peace and security, negatively impacts regional stability, jeopardizes the safety of international civil aviation, creates difficulties for air traffic over Cyprus and prevents the creation of an enabling environment in which to conduct the Cyprus peace process.

Turkey continues to systematically harass civilian and military aircraft within the Nicosia flight information region via radio calls, while, during the same period, the regime installed by the occupying Power in the area of Cyprus that it occupies illegally issued four notices to airmen relating to exercises conducted by the Turkish Air Force. Additionally, Turkish commercial aircraft systematically use the Tymbou airport, which continues to operate illegally following the closure by the Cyprus Government of all ports of entry in the areas where it does not exercise effective control.

The said actions of Turkey, which has continued to occupy the northern part of the Republic of Cyprus since 1974, are clearly aimed at undermining Cyprus's sovereignty, consolidating the ongoing de facto division and upgrading the secessionist entity's status by claiming a purported airspace over the occupied territory of the Republic. In this respect, I would like to underline that there is only one Cypriot State, which is the Republic of Cyprus, as stipulated in various Security Council resolutions (in particular resolutions [541 \(1983\)](#) and [550 \(1984\)](#)), in which the Council declared legally invalid the purported secession of part of Cyprus.

On behalf of my Government, I strongly protest the continuing violations of the national airspace and the territorial waters of Cyprus by Turkey, as well as the

infringements by Turkey of international air traffic regulations, and appeal for their immediate cessation.

The Republic of Cyprus reiterates, in this respect, its call for all States to respect Security Council resolutions and adhere to the principles of sovereignty and non-interference enshrined in the Charter of the United Nations.

Finally, I would like to urge Turkey and the Turkish Cypriot community to contribute to a meaningful resumption of the peace process, instead of focusing on undermining the sovereignty of the Republic of Cyprus and promoting the partition of Cyprus through the creation of facts on the ground and the consolidation of the status quo, including by seeking to politically upgrade the secessionist entity.

I should be grateful if you would circulate the present letter and its annexes as a document of the General Assembly under agenda item 45, and of the Security Council.

(Signed) Polly **Ioannou**  
Chargé d'affaires a.i.
