Original: English

Seventy-third session

Agenda item 68 (a)

New Partnership for Africa's Development: progress in implementation and international support: New Partnership for Africa's Development: progress in implementation and international support

Finland: amendment to draft resolution A/73/L.96/Rev.1

New Partnership for Africa's Development: progress in implementation and international support

Replace operative paragraph 42 with the following text:

Also reiterates that we are setting out together on the path towards sustainable development, devoting ourselves collectively to the pursuit of the 2030 Agenda for Sustainable Development and the Addis Ababa Action Agenda and to engaging with all actors to implement the socioeconomic transformation envisaged in the 2030 Agenda;
