4. Election of the President of the General Assembly

In accordance with Article 21 of the Charter, the General Assembly shall elect its President for each session. Under rule 30 of the rules of procedure, the Assembly shall elect a President at least three months before the opening of the session over which the President is to preside. The President so elected will assume the functions only at the beginning of that session for which the President is elected and shall hold office until the close of that session. The Assembly has had the item entitled “Election of the President of the General Assembly” on its agenda annually since its first session (decisions adopted at the first to thirtieth sessions and decisions [31/302](#), [32/302](#), [33/302](#), [34/302](#), [35/302](#), [36/302](#), [37/302](#), [38/302](#), [39/302](#), [40/302](#), [41/302](#), [42/302](#), [43/302](#), [44/302](#), [45/302](#), [46/302](#), [47/302](#), [48/302](#), [49/302](#), [50/302](#), [51/302](#), [52/302](#), [53/302](#), [54/302](#), [55/302](#), [56/302](#), [56/320](#), [57/418](#), [58/418](#), [59/421](#), [60/418](#), [61/418](#), [62/416](#), [63/421](#), [64/422](#), [65/416](#), [66/424](#), [67/420](#), [68/418](#), [69/421](#), [70/421](#), [71/419](#), [72/417](#) and [73/418](#)).

At its seventy-third session, the Assembly elected Tijjani Muhammad-Bande (Nigeria) as its President for the seventy-fourth session (decision 73/418).

At its thirty-third session, the Assembly, under the item entitled “Question of the composition of the relevant organs of the United Nations”, decided (resolution [33/138](#), annex, para. 1) that, in the election of the President, regard should be had for equitable geographical rotation of the office among the following groups of States:

- (a) African States;
- (b) Asia-Pacific States;
- (c) Eastern European States;
- (d) Latin American and Caribbean States;
- (e) Western European and other States.

In accordance with rule 92 of the rules of procedure, the election is held by secret ballot. At its thirty-fourth session, however, the Assembly, under the item entitled “Adoption of the agenda and organization of work”, decided that the practice of dispensing with the secret ballot for elections to subsidiary organs when the number of candidates corresponded to the number of seats to be filled should become standard and that the same practice should apply to the election of the President of the Assembly, unless a delegation specifically requested a vote on a given election (decision 34/401, para. 16). Since the thirty-second session, with the exception of the thirty-sixth, thirty-eighth, forty-third, forty-sixth, sixty-sixth, seventieth and seventy-second sessions, the President has been elected by acclamation.

Pursuant to resolution [70/305](#), adopted under the agenda item entitled “Revitalization of the work of the General Assembly”, the President-elect shall take an oath of office of his or her own, as detailed in annex I to the resolution, at the moment of handing over the gavel in the final plenary meeting of the preceding session. In its resolution [71/323](#), adopted under the same item, the Assembly decided, in full respect of the established principle of geographical rotation and its resolution [33/138](#), to conduct informal interactive dialogues with candidates for the position of the President of the Assembly, thus contributing to the transparency and inclusivity of the process, and called upon candidates to present to the Assembly their vision statements. The Assembly also invited Member States to consider presenting women as candidates for the position of President of the Assembly.

Provisional agenda

Under rule 12 of the rules of procedure, the provisional agenda is to be communicated to the Members of the United Nations at least 60 days before the opening of the session. The preliminary list of items to be included in the provisional agenda of the seventy-fourth session (see sect. I, para. 1, above) was circulated on 15 February 2019 (A/74/50). The provisional agenda for the seventy-fourth session (A/74/150) will be issued on 19 July 2019.

Rule 13 of the rules of procedure indicates what items shall or may be included in the provisional agenda.

Supplementary items

Rule 14 of the rules of procedure provides that any Member or principal organ of the United Nations or the Secretary-General may, at least 30 days before the date fixed for the opening of a regular session, request the inclusion of supplementary items in the agenda. Such items shall be placed on a supplementary list, which shall be communicated to the Members of the United Nations at least 20 days before the opening of the session.

The supplementary list (A/74/200) will be issued on 29 August 2019.

Additional items

Rule 15 of the rules of procedure stipulates that additional items of an important and urgent character, proposed for inclusion in the agenda less than 30 days before the opening of a regular session or during a regular session, may be placed on the agenda if the Assembly so decides by a majority of the members present and voting.

Consideration of the draft agenda by the General Committee

Rules 38 to 44 of the rules of procedure deal with the composition, organization and functions of the General Committee. The Committee is composed of the President of the Assembly, who presides, the 21 Vice-Presidents of the Assembly and the Chairs of the Main Committees.

The General Committee usually meets on the second day of the session for the purpose of making recommendations to the Assembly concerning the adoption of the agenda, the allocation of items and the organization of the work of the Assembly. For this purpose, it has before it a memorandum by the Secretary-General containing the draft agenda (provisional agenda, supplementary items and additional items and all other items mandated by the Assembly after the issuance of the provisional agenda), the proposed allocation of items and a number of recommendations concerning the organization of the session.

Adoption of the agenda by the Assembly

Rule 21 of the rules of procedure provides that at each session the provisional agenda and the supplementary list, together with the report of the General Committee thereon,

shall be submitted to the Assembly for approval as soon as possible after the opening of the session.

The final agenda, the allocation of items included in the agenda and arrangements for the organization of the session are adopted by the Assembly by a simple majority.

Rule 23 of the rules of procedure provides that debate on the inclusion of an item in the agenda, when that item has been recommended for inclusion by the General Committee, shall be limited to three speakers in favour of, and three against, the inclusion.

8. General debate

At the beginning of the session, the General Assembly holds the general debate, during which heads of delegations may state the views of their Governments on any item before the Assembly. The Assembly has had the item on its agenda annually since its second session (decision adopted at its twenty-fourth session and decisions 56/468, 69/503 and 70/503; see also decisions 63/553, 68/503, 71/503, 72/503 and 73/503 adopted under the item entitled “Organization of work, adoption of the agenda and allocation of items”).

At its fifty-eighth session, the Assembly, under the item entitled “Revitalization of the work of the General Assembly”, decided that, in June of each year, the President-elect of the Assembly, after taking into account the views provided by Member States and following consultations with the incumbent President and the Secretary-General, would suggest an issue, or issues, of global concern upon which Member States would be invited to comment during the general debate at the forthcoming session of the Assembly. The Assembly also decided that the views provided by Member States should be summarized and circulated to Member States and that such suggestions regarding the issue(s) for comment would be without prejudice to the sovereign right of Member States to solely and entirely determine the content of their general debate statements (resolution [58/126](#)).

At its fifty-seventh session, the Assembly, under the item entitled “Revitalization of the work of the General Assembly”, decided that the general debate should open on the Tuesday following the opening of the regular session of the Assembly and should be held without interruption over a period of nine working days (resolution [57/301](#)). The general debate at the seventy-fourth session will be held from Tuesday, 24 September 2019.

In keeping with previous practice, a voluntary 15-minute time limit for statements is to be observed in the general debate. By its resolution [51/241](#), the Assembly decided that the list of speakers for each day would be completed and no speakers would be rolled over to the next day, notwithstanding the implications for hours of work.

At the seventy-third session, 11 plenary meetings were devoted to the general debate, during which the President, 193 Member States and 3 observers took the floor ([A/73/PV.6–16](#)). Of these 196 speakers, 18 were women. The longest speech of the general debate lasted 48 minutes, and the shortest, 5 minutes. The average speech length was 18.7 minutes.

At its fourth session, the Assembly established the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) (resolution 302 (IV)). Since May 1950, the Agency, which is supported by voluntary contributions, has been providing education, training, health, relief and other services to Arab refugees from Palestine. In 1967 and 1982, the functions of the Agency were widened to include humanitarian assistance, as far as practicable, on an emergency basis and as a temporary measure, to other displaced persons in serious need of immediate assistance as a result of the 1967 and subsequent hostilities (resolutions 2252 (ES-V) and [37/120 B](#)). The Agency’s mandate has been extended several times, most recently until 30 June 2020 (resolution [71/91](#)).

At its sixtieth session, the Assembly decided to increase the membership of the Advisory Commission on UNRWA to 21 members, to invite Palestine to attend and fully participate in its meetings as an observer, to invite the European Community to attend its meetings and to invite the League of Arab States to attend its meetings as an observer (decision 60/522). At its sixty-third, sixty-fifth, sixty-sixth, sixty-ninth and seventy-third sessions, the Assembly decided to increase the membership of the Advisory Commission on UNRWA to 23, then to 24, 25, 27 and 28 members, respectively (resolutions [63/91](#), [65/98](#), [66/72](#), [69/86](#) and [73/92](#)). At its twenty-fifth session, the Assembly, in view of the Agency’s deteriorating financial situation, established the Working Group on the Financing of the United

Nations Relief and Works Agency for Palestine Refugees in the Near East to study all aspects of the financing of the Agency (resolution 2656 (XXV)). The Working Group has submitted recommendations to the Assembly annually since its twenty-fifth session, and the Assembly has annually extended the Working Group's mandate. The Working Group is composed of the following nine Member States: France, Ghana, Japan, Lebanon, Norway, Trinidad and Tobago, Turkey, United Kingdom of Great Britain and Northern Ireland and United States of America.

At its seventy-third session, the Assembly reaffirmed its request to the United Nations Conciliation Commission for Palestine to continue exerting efforts towards the implementation of paragraph 11 of Assembly resolution 194 (III) and to report to the Assembly on the efforts being exerted in that regard as appropriate, but no later than 1 September 2019 (resolution [73/92](#)).

At the same session, the Assembly expressed its appreciation to the Advisory Commission of the Agency and requested it to continue its efforts and to keep the Assembly informed of its activities. It called upon the Commissioner-General to include, in the annual reporting to the Assembly, assessments on the progress made to remedy the recurrent funding shortfalls of the Agency and ensure sustained, sufficient and predictable support for the Agency's operations, including through the implementation of the relevant provisions of the resolution (resolution [73/94](#)).
