## Seventy-fourth session

Agenda item 71 (a)

### **Strengthening of the coordination of humanitarian and disaster relief assistance of the United Nations, including special economic assistance: strengthening of the coordination of emergency humanitarian assistance of the United Nations**

**United States of America: amendment to draft resolution [A/74/L.34](#)**

#### **Strengthening of the coordination of emergency humanitarian assistance of the United Nations**

1. Amend operative paragraph 58 to read as follows:

*Encourages* Member States, in cooperation with relevant United Nations humanitarian organizations, to ensure that the basic humanitarian needs of affected populations, including clean water, food, shelter, critical and life-saving health care, health promotion and disease prevention across the lifespan, support for victims of sexual and gender-based violence, including health education and protection, and access to voluntary and informed family planning, as well as energy and information and communications technologies, where possible, are addressed as components of humanitarian response, including through providing timely and adequate resources, while ensuring that their collaborative efforts fully adhere to humanitarian principles;

2. Amend operative paragraph 59 to read as follows:

*Also encourages* Member States, in cooperation with relevant United Nations humanitarian organizations, to ensure that women and girls have reliable and safe access to basic health care, including mental health and psychosocial support, from the onset of emergencies, in this regard recognizes that such assistance protects women, adolescent girls and infants from preventable mortality and morbidity that occur in humanitarian emergencies, and calls upon Member States, the United Nations and other relevant actors to give such programmes due consideration;
