*Reaffirming* its resolution [69/313](#) of 27 July 2015 on the Addis Ababa Action Agenda of the Third International Conference on Financing for Development, which is an integral part of the 2030 Agenda for Sustainable Development,<sup>1</sup> supports and complements it, helps to contextualize its means of implementation targets with concrete policies and actions, and reaffirms the strong political commitment to address the challenge of financing and creating an enabling environment at all levels for sustainable development in the spirit of global partnership and solidarity,

*Recalling* the International Conference on Financing for Development, held in Monterrey, Mexico, from 18 to 22 March 2002, the Follow-up International Conference on Financing for Development to Review the Implementation of the Monterrey Consensus, held in Doha from 29 November to 2 December 2008, and the third International Conference on Financing for Development, held in Addis Ababa from 13 to 16 July 2015,

*Reaffirming* its resolution [70/1](#) of 25 September 2015, entitled “Transforming our world: the 2030 Agenda for Sustainable Development”, in which it adopted a comprehensive, far-reaching and people-centred set of universal and transformative Sustainable Development Goals and targets, its commitment to working tirelessly for the full implementation of the Agenda by 2030, its recognition that eradicating poverty in all its forms and dimensions, including extreme poverty, is the greatest global challenge and an indispensable requirement for sustainable development, its commitment to achieving sustainable development in its three dimensions – economic, social and environmental – in a balanced and integrated manner, and to building upon the achievements of the Millennium Development Goals and seeking to address their unfinished business,

their human rights are essential to achieving sustained, inclusive and equitable economic growth and sustainable development,

*Reaffirming* the importance of addressing the diverse needs of and challenges faced by countries in special situations, in particular African countries, the least developed countries, landlocked developing countries and small island developing States and countries in conflict and post-conflict situations, as well as the specific challenges faced by middle-income countries,

*Taking note* of the holding of preparatory meetings for the Economic and Social Council forum on financing for development follow-up, such as the annual retreat of the Group of Friends of Monterrey,

*Welcoming* the convening of two virtual informal meetings of the Economic and Social Council forum on financing for development follow-up, on 23 April and 2 June 2020,

*Recalling* the intergovernmentally agreed conclusions and recommendations of the forum,<sup>4</sup> which decided that the sixth Economic and Social Council forum on financing for development follow-up would convene from 12 to 15 April 2021 and would include the special high-level meeting of the Council with the Bretton Woods institutions, the World Trade Organization and the United Nations Conference on Trade and Development, and also that the 2021 forum would consider and report in its outcome document on the need to hold a follow-up conference,

*Recalling also* Economic and Social Council decision 2017/206 of 5 October 2016,

<sup>4</sup> See [E/FFDF/2020/3](#).

*Recalling* the High-level Dialogue on Financing for Development held on 26 September 2019, back-to-back with the high-level political forum on sustainable development under the auspices of the General Assembly,

*Recalling also* the establishment by the Secretary-General of the Global Investors for Sustainable Development Alliance and the publication of the road map for financing the 2030 Agenda for Sustainable Development, and looking forward to further updates on the implementation of the strategy of the Secretary-General for financing the 2030 Agenda for Sustainable Development (2018–2021),

*Reaffirming* the outcome document of the second High-level United Nations Conference on South-South Cooperation, held in Buenos Aires from 20 to 22 March 2019,<sup>6</sup>

*Reiterating* the pledge that no one will be left behind, reaffirming the recognition that the dignity of the human person is fundamental, and the wish to see the Goals and targets met for all nations and peoples and for all segments of society, and recommitting to endeavour to reach the furthest behind first,

*Recommitting* to ensuring that no country or person is left behind and to focusing our effort where the challenges are greatest, including by ensuring the inclusion and participation of those who are furthest behind,

1. *Takes note* of the report of the Secretary-General;<sup>7</sup>
2. *Emphasizes* the need to work towards the full and timely implementation of the Addis Ababa Action Agenda of the Third International Conference on Financing for Development;<sup>8</sup>
3. *Takes note* of the report of the Inter-Agency Task Force on Financing for Development,<sup>9</sup> and notes that progress, though uneven, has been reported in all seven action areas of the Addis Ababa Action Agenda, while acknowledging that many implementation gaps persist;
4. *Welcomes* the intergovernmentally agreed conclusions and recommendations of the 2020 Economic and Social Council forum on financing for development follow-up, urges their full, effective and timely implementation, and looks forward to staying engaged so as to assess progress, identify obstacles and challenges in the implementation of the financing for development outcomes and in the delivery of the means of implementation, promote the sharing of lessons learned from experiences at the national and regional levels, address new and emerging topics of relevance to the implementation of this agenda as the need arises and provide policy recommendations for action by the international community in substantive intergovernmentally agreed conclusions and recommendations at the 2021 forum;
5. *Also welcomes* in this regard the further development of integrated national financing frameworks, in support of nationally owned sustainable development strategies, in order to further implement the Addis Ababa Action Agenda, aimed at effectively mobilizing and aligning a wide range of financing sources and instruments with the 2030 Agenda for Sustainable Development and making use of the full potential of all means of implementation;

8. *Invites* the President of the Economic and Social Council to take into consideration the deliberations of the 2019 High-level Dialogue on Financing for Development and the summary by the President of the Council on the 2020 forum on financing for development follow-up in the preparation of the 2021 forum;

11. *Also takes note* of the holding of the 2020 Global Infrastructure Forum from 6 to 8 October 2020 in a virtual setting, invites the multilateral development banks to provide a briefing to Member States on the outcome of the Forum, and reiterates that the Forum is mandated to identify and address infrastructure and capacity gaps in developing countries, particularly in the least developed countries, landlocked developing countries, small island developing States and African countries;

15. *Recalls* that the Addis Ababa Action Agenda provides a global framework for financing sustainable development and is an integral part of the 2030 Agenda for Sustainable Development, supports and complements it and helps to contextualize the means of implementation targets with concrete policies and actions, the implementation of which requires following up on, that relate to its seven action areas, namely, domestic public resources; domestic and international private business and finance; international development cooperation; international trade as an engine for development; debt and debt sustainability; addressing systemic issues and science, technology, innovation and capacity-building; and data, monitoring and follow-up;
