Report of the International Atomic Energy Agency

Report of the International Atomic Energy Agency

Note by the Secretary-General**

The sixty-sixth report of the International Atomic Energy Agency, for the calendar year 2021 (GC(66)/4), is submitted herewith to the General Assembly. Major developments since the report was published will be covered by the annual statement of the Director General of the Agency to the Assembly. The report has been transmitted in accordance with the provisions of article III, paragraph 1 (a), of the Agreement governing the relationship between the United Nations and the Agency (Assembly resolution [1145 \(XII\)](#), annex).

* [A/77/150](#).

** The annual report is printed in Vienna each year in the six official languages as part of the documentation for the General Conference of the International Atomic Energy Agency. A specified number of copies are shipped to the United Nations as part of the documentation for the General Assembly. The annual report is also available on the Agency's website at www.iaea.org/about/governance/general-conference/gc66/documents.
