

General Assembly

Distr.: General
22 January 2020

Original: English

Open-ended working group on developments in the field of information and telecommunications in the context of international security

Second substantive session

10–14 February 2020

Agenda item 3

Organization of work

Organization of work of the second substantive session

Note by the Secretariat

The draft organization of work of the second substantive session of the open-ended working group on developments in the field of information and telecommunications in the context of international security, which is contained in the annex to the present note, has been prepared in order to facilitate the working group's consideration of agenda item 5, Discussions on substantive issues contained in paragraph 5 of General Assembly resolution 73/27. The annotated provisional agenda, as adopted by the working group, is contained in document [A/AC.290/2019/1](#).

Additional information relating to the work of the open-ended working group can be found at: <https://www.un.org/disarmament/open-ended-working-group/>.
