**Seventy-fourth session
Special Political and Decolonization Committee
(Fourth Committee)**

Organization of work

Note by the Chair

1. The agenda items allocated by the General Assembly to the Special Political and Decolonization Committee (Fourth Committee) for consideration are listed in document [A/C.4/74/1](#). Background information on those items, including references to related documentation, is set out in the annotated preliminary list of items to be included in the provisional agenda of the seventy-fourth session ([A/74/100](#)).¹
2. The General Assembly, in rule 99, paragraph (b), of its rules of procedure, calls upon each Main Committee to adopt a programme of work indicating, if possible, a target date for the conclusion of its work, the approximate dates of consideration of items and the number of meetings to be allocated for the consideration of each item.
3. The General Assembly decided that the seventy-fourth session should recess on Monday, 16 December 2019, and that, inter alia, the Special Political and Decolonization Committee (Fourth Committee) should complete its work by Friday, 15 November 2019 (see [A/74/250](#), paras. 21 and 22).
4. To that end, the Special Political and Decolonization Committee (Fourth Committee) may wish to consider adopting as a provisional guideline the approximate dates set out below for the consideration of the items on its agenda with the understanding that they may be revised periodically, as appropriate. The Committee will also consider certain items on its agenda jointly in order to ensure the full and efficient utilization of the conference facilities allocated to it. As indicated below, the conference services have allocated 28 meetings to the Committee and have urged the Committee to make every effort to complete its work within the time allotted. Should the Committee wish to change the dates on which it considers items, it would still have to work within the dates and times indicated below.

Conclusion of the work of the Special Political and Decolonization Committee (Fourth Committee) for the main part of the session

5. In the preparation of the timetable above, the Chair was guided by the following considerations:

(a) In accordance with established procedures and practices and bearing in mind the availability of documentation, the Committee may wish to hold one general debate covering agenda items 55 to 59 and individual debates on agenda items 47 to 54, 121 and 136, on the understanding that draft resolutions and/or decisions will be considered separately;

(b) Representatives of Non-Self-Governing Territories and petitioners will be heard as early as possible during the Committee's consideration of the related items, and the Chair suggests that the Committee devote its meetings from Tuesday to Friday, 8 to 11 October, to the hearing of petitioners;

(c) Item 121, Revitalization of the work of the General Assembly, is allocated to all the Main Committees for the sole purpose of considering and taking action on their respective tentative programme of work;

(d) Item 136, Programme planning, is allocated to all the Main Committees and the plenary of the General Assembly to enhance the discussion of evaluation, planning, budgeting and monitoring reports. If the Assembly allocates any report submitted under this item to the Fourth Committee, the Committee shall revert to this item.

6. Subject to the provisional programme of work above being acceptable to the Committee and in order to facilitate its work, the Chair wishes to suggest that the list of speakers in the general debate covering the following agenda items be closed as follows:

Items 55 to 59: Tuesday, 8 October, at 6 p.m.

Item 54: Friday, 18 October, at 1 p.m.

Item 52: Monday, 4 November at 1 p.m.

The Committee will take decisions on the closure of the list of speakers relating to the general debates on the remaining items at the appropriate time.

7. The Chair also wishes to draw the attention of members of the Committee to the decisions of the General Assembly on the organization of its work contained in document [A/74/250](#), sections II.B to III.

8. Members are also requested to bear in mind the decision of the General Assembly that morning and afternoon meetings should start promptly at 10 a.m. and 3 p.m., respectively, both for plenary meetings and for meetings of the Main Committees during the seventy-fourth session. The attention of the members is also drawn to the decision of the Assembly to waive, at its seventy-fourth session, the quorum required, under rule 108 of the rules of procedure of the General Assembly, for the Chair to declare a meeting open and permit the debate to proceed (see [A/74/250](#), para. 31).

9. In view of the limited number of meetings available to the Committee, it is suggested that the time limit for statements be set at 10 minutes, with the exception of statements made by the spokespersons of groups of delegations, which would be extended to 15 minutes. In this connection, the Chair will set the time limit for the petitioners as it is deemed necessary.

10. The list of documents submitted under the various agenda items allocated to the Special Political and Decolonization Committee (Fourth Committee) is contained in document [A/C.4/74/INF/1](#), which will be updated as necessary.
