Draft resolution submitted by the Chair of the Committee following informal consultations

## Scale of assessments for the apportionment of the expenses of the United Nations

The General Assembly,

Recalling its previous resolutions and decisions on the scale of assessments for the apportionment of the expenses of the United Nations, including its resolutions 55/5 B and C of 23 December 2000, 57/4 B of 20 December 2002, 58/1 B of 23 December 2003, 61/237 of 22 December 2006 and 64/248 of 24 December 2009,

*Reaffirming* Article 17 of the Charter of the United Nations and rule 160 of its rules of procedure,

Recalling paragraphs 5 and 6 of its resolution 58/1 B,

Having considered the reports of the Committee on Contributions on its seventy-first 1 and seventy-second sessions 2 and the report of the Secretary-General on multi-year payment plans, 3

- 1. *Reaffirms* that the determination of the scale of assessments for the apportionment of the expenses of the United Nations shall remain the prerogative of the General Assembly;
- 2. Also reaffirms the fundamental principle that the expenses of the Organization shall be apportioned broadly according to capacity to pay;
- 3. Further reaffirms the obligation of all Member States to bear the expenses of the United Nations, as apportioned by the General Assembly, in conformity with Article 17, paragraph 2, of the Charter of the United Nations;

<sup>&</sup>lt;sup>3</sup> A/67/75.

<sup>&</sup>lt;sup>1</sup> Official Records of the General Assembly, Sixty-sixth Session, Supplement No. 11 (A/66/11).

<sup>&</sup>lt;sup>2</sup> Ibid., Sixty-seventh Session, Supplement No. 11 (A/67/11).

- 4. *Reaffirms* that the Committee on Contributions as a technical body is required to prepare the scale of assessments strictly on the basis of reliable, verifiable and comparable data;
- 5. *Decides* that the scale of assessments for the period 2013-2015 shall be based on the following elements and criteria:
  - (a) Estimates of gross national income;
  - (b) Average statistical base periods of three and six years;
- (c) Conversion rates based on market exchange rates, except where that would cause excessive fluctuations and distortions in the income of some Member States, when price-adjusted rates of exchange or other appropriate conversion rates should be employed, taking due account of its resolution 46/221 B of 20 December 1991:
- (d) The debt-burden approach employed in the scale of assessments for the period 2010-2012;
- (e) A low per capita income adjustment of 80 per cent, with a threshold per capita income limit of the average per capita gross national income of all Member States for the statistical base periods;
  - (f) A minimum assessment rate of 0.001 per cent;
- (g) A maximum assessment rate for the least developed countries of 0.01 per cent;
  - (h) A maximum assessment rate of 22 per cent;
- 6. *Notes* that the application of the current methodology, as set out above, reflects changes in the relative economic situations of the States Members of the United Nations;
- 7. Also notes that changes in Member States' shares in world gross national income result in changes in relative capacity to pay, which should be more accurately reflected in the scale of assessments;
- 8. *Recognizes* that the current methodology can be enhanced, bearing in mind the principle of capacity to pay;
- 9. Also recognizes the need to study the methodology in depth and in an effective and expeditious manner, taking into account the views expressed by Member States;
- 10. Requests the Committee on Contributions, in accordance with its mandate and the rules of procedure of the General Assembly, to review and make recommendations on the elements of the methodology of the scale of assessments in order to reflect the capacity of Member States to pay, and to report thereon to the Assembly by the main part of its seventieth session;
- 11. Resolves that the scale of assessments for the contributions of Member States to the regular budget of the United Nations for 2013, 2014 and 2015 shall be as follows:

12-66513

<sup>13.</sup> Reaffirms paragraph 1 of its resolution 57/4 B;

- 14. *Encourages* Member States in arrears with their assessed contributions to the United Nations to consider submitting multi-year payment plans;
- 15. *Notes* that the Committee on Contribution conducted a review of its working methods during its seventy-second session, and requests it to keep them under review;

## 16. *Resolves* that:

- (a) Notwithstanding the terms of financial regulation 3.9 of the Financial Regulations and Rules of the United Nations,<sup>4</sup> the Secretary-General shall be empowered to accept, at his discretion and after consultation with the Chair of the Committee on Contributions, a portion of the contributions of Member States for the calendar years 2013, 2014 and 2015 in currencies other than the United States dollar;
- (b) In accordance with financial regulation 3.8,<sup>4</sup> the Holy See, which is not a member of the United Nations but which participates in certain of its activities, shall be called upon to contribute towards the expenses of the Organization for 2013, 2014, and 2015 on the basis of a notional assessment rate of 0.001 per cent, which represents the basis for the calculation of the flat annual fees to be charged to the Holy See in accordance with General Assembly resolution 44/197 B of 21 December 1989:
- 17. *Decides* that the rate of assessment for South Sudan, admitted to membership in the United Nations on 14 July 2011, shall be 0.003 per cent for 2011 and 2012;
- 18. *Also decides* that South Sudan shall contribute at the rate of one twelfth of this percentage for each full month of membership in 2011;
- 19. Further decides that the contributions of South Sudan for 2011 and 2012 shall be applied to the same basis of assessment as for other Member States, except that, in the case of appropriations or apportionments approved by the General Assembly for the financing of peacekeeping operations, the contributions of South Sudan, as determined by the level of contributions for peacekeeping operations to which it is assigned in 2011 and 2012, pursuant to the provisions of Assembly resolution 55/235 of 23 December 2000, shall be calculated in proportion to the calendar year;
- 20. *Decides* that the assessments of South Sudan for 2011 and 2012 shall be taken into account as miscellaneous income under financial regulation 3.13;<sup>4</sup>
- 21. Also decides that, in accordance with financial regulation 3.7<sup>4</sup> the advance of South Sudan to the Working Capital Fund shall be calculated by the application of its rate of assessment for 2011 to the authorized level of the Fund and should be added to the Fund, pending its incorporation in a 100 per cent scale.
