3. The fiftieth session of Working Group V (Insolvency Law) is scheduled to be held in Vienna from Monday 12 to Friday 16 December 2016. Meeting hours will be from 9.30 a.m. to 12.30 p.m. and from 2 p.m. to 5 p.m., except on Monday 12 December 2016, when the meeting will commence at 10.00 a.m.

#### **Item 2. Election of officers**

4. In accordance with its practice at previous sessions, the Working Group may wish to elect a Chairman and a Rapporteur.

#### **Item 4. Consideration of insolvency topics**

##### **1. Background information**

##### **(a) Facilitating the cross-border insolvency of multinational enterprise groups**

5. At its forty-fourth session (December 2013), the Working Group agreed to continue its work on cross-border insolvency of multinational enterprise groups<sup>1</sup> by developing provisions on a number of issues, some of which would extend the existing provisions of the UNCITRAL Model Law on Cross-Border Insolvency and part three of the UNCITRAL Legislative Guide on Insolvency Law and involve reference to the UNCITRAL Practice Guide on Cross-Border Insolvency Cooperation. The Working Group discussed this topic at its forty-fifth (April 2014) (A/CN.9/803), forty-sixth (December 2014) (A/CN.9/829), forty-seventh (May 2015) (A/CN.9/835), forty-eighth (December 2015) (A/CN.9/864) and forty-ninth (May 2016) (A/CN.9/870) sessions.

6. At its forty-fifth, forty-sixth and forty-seventh sessions, the Working Group considered the goals of a text facilitating the cross-border insolvency of multinational enterprise groups; the key elements of such a text, including those that might be based upon part three of the UNCITRAL Legislative Guide on Insolvency Law (the Legislative Guide) and on the UNCITRAL Model Law on Cross-Border Insolvency (the Model Law); and the form that the text might take, noting that some of the key elements lent themselves to being developed as a model law, while others were more in the nature of provisions that might be included in a legislative guide.

7. At its forty-eighth session, the Working Group agreed a set of key principles for a regime to address insolvency in the context of enterprise groups and considered a number of draft provisions addressing three main areas of (a) coordination and cooperation of insolvency proceedings relating to an enterprise group; (b) elements needed for the development and approval of a group insolvency solution involving multiple entities; and (c) the use of so-called “synthetic proceedings” in lieu of commencing non-main proceedings. Two additional supplemental areas, which might include (d) the use of so-called “synthetic proceedings” in lieu of commencing main proceedings, and (e) approval of a group insolvency solution on a more streamlined basis by reference to the adequate protection of the interests of creditors of affected group members, were also considered.

8. At its forty-ninth session, the Working Group considered a consolidated draft legislative text incorporating the agreed key principles and draft provisions addressing the five areas indicated in paragraph 7. That draft text has been revised for further consideration at the fiftieth session.

**(b) Recognition and enforcement of insolvency-related judgements**

9. At its forty-seventh session (2014), the Commission approved a mandate for Working Group V to develop a model law or model legislative provisions providing for the recognition and enforcement of insolvency-derived judgments.<sup>2</sup> The Working Group discussed this topic at its forty-sixth (December 2014) (A/CN.9/829), forty-seventh (May 2015) (A/CN.9/835), forty-eighth (December 2015) (A/CN.9/864) and forty-ninth (May 2016) (A/CN.9/870) sessions.

10. At its forty-sixth session, the Working Group identified a number of key issues to be addressed in a draft instrument, which it was agreed should be developed as a standalone model law, as opposed to forming part of the Model Law. The Working Group had a preliminary exchange of views on a first draft of a model law at its forty-seventh session, with further draft texts revised in accordance with the Working Group’s deliberations and decisions being considered at the forty-eighth and forty-ninth sessions. That draft text has been revised for further consideration at the fiftieth session.
