Summary of the one-day intersessional meeting with a dialogue on cooperation in strengthening capacities for the prevention of genocide

Note by the Secretariat

1. In its resolution 43/29 on the prevention of genocide, the Human Rights Council requested the United Nations High Commissioner for Human Rights to convene, before the forty-sixth session of the Council, a one-day intersessional meeting with a dialogue on cooperation in strengthening capacities for the prevention of genocide, to prepare a summary report on the meeting and to submit it to the Council at its forty-seventh session.
2. While the High Commissioner was able to organize the intersessional meeting on 10 February 2021, in the light of the financial constraints faced by the Organization, she is not in a position to submit the summary report on the meeting to the Council at its forty-seventh session. She aims to submit the report at a future session of the Council, as the financial situation permits.
