## Seventy-fourth session

### Membership of Main Committees of the General Assembly

#### Note by the Secretary-General

1. Rule 100 of the rules of procedure of the General Assembly reads as follows:

Each Member may be represented by one person on each Main Committee and on any other committee that may be established upon which all Members have the right to be represented. It may also assign to these committees advisers, technical advisers, experts or persons of similar status.

2. Delegations are accordingly requested to inform the Secretariat of their delegations to the Main Committees using the e-list of participants module in the e-deleGATE portal ([delegate.un.int](http://delegate.un.int)), by 25 October 2019, so that the lists giving the membership of the Main Committees may be distributed at the earliest possible date. The names of delegates to each Committee should be indicated clearly and include accents. The general form of address (e.g. Mr., Mrs., Ms., etc.) should be used; titles are normally not shown.

3. All delegates designated as “e-list of participants focal points” have access to the e-list of participants. Access may be granted to additional delegates by the system administrators in the respective permanent missions through the access management module. Technical queries may be addressed to [help-desk@un.org](mailto:help-desk@un.org).

4. Subsequent modifications and additions should be sent to the Secretary of the Committee concerned, namely:
