The General Assembly,

Having considered the report of the Working Group on the examination of the Administrative and Budgetary Procedures of the United Nations,¹⁵

Noting with concern the present financial situation of the Organization resulting from the non-payment of a substantial portion of past assessments for the United Nations Emergency Force Special Account and the *Ad Hoc* Account for the United Nations Operation in the Congo,

Believing that it is essential that all assessments for these accounts be paid as soon as possible,

1. *Appeals* to Member States which continue to be in arrears in respect of their assessed contributions for payment to the United Nations Emergency Force Special Account and the *Ad Hoc* Account for the United Nations Operation in the Congo to pay their arrears, disregarding other factors, as soon as their respective constitutional and financial arrangements can be processed, and, pending such arrangements, to make an announcement of their intention to do so;

2. *Expresses its conviction* that Member States which are in arrears and object on political or juridical grounds to paying their assessments on these accounts nevertheless will, without prejudice to their respective positions, make a special effort towards solving the financial difficulties of the United Nations by making these payments;

3. *Requests* the Secretary-General to consult with those Member States which are in arrears on the United Nations Emergency Force Special Account and on the *Ad Hoc* Account for the United Nations Operation in the Congo and to work out with them arrangements as to the most appropriate modalities within the letter and spirit of the Charter of the United Nations, including the possibility of payment by instalments, for bringing the payments of these accounts up to date as soon as possible;

4. *Requests* Member States which are in arrears on these accounts to make the arrangements with the Secretary-General set out in paragraph 3 above before 31 October 1963;

5. *Requests* the Secretary-General to report, as appropriate, to the General Assembly on the consultations and arrangements mentioned in paragraphs 3 and 4 of the present resolution.

1879 (S-IV). Establishment of a peace fund

The General Assembly,

Bearing in mind the purposes of the United Nations as set out in Article 1 of the Charter of the United Nations,

Realizing the need for prompt and effective action to prevent any threats to or breaches of international peace and security,

Believing that inadequate financial resources can seriously delay or jeopardize the success of such action,

Desiring to make sufficient funds readily available to the Secretary-General, thus enabling him to discharge, without undue delay, his responsibilities under the Charter in cases of breaches of the peace,

Convinced that the establishment of a peace fund through voluntary contributions from Member States as well as organizations and individuals is worthy of study as a means of furthering this objective,

1. *Requests* the Secretary-General to consult all Member States and interested organizations on the desirability and feasibility of establishing such a peace fund;

2. *Further requests* the Secretary-General to report to the General Assembly at its eighteenth session.

Bearing in mind further that the maintenance of peace and security is a primary purpose of the United Nations,

Desirous that ways and means should be found to arrive at working arrangements so that all Member States may feel able to share in such costs,

Noting that the tasks with which the Working Group on the Examination of the Administrative and Budgetary Procedures of the United Nations was charged have not been completed,

1. *Decides* to continue in being the Working Group on the Examination of the Administrative and Budgetary Procedures of the United Nations;
