

(ii) Adequate and confirmed knowledge of a second language will permit more rapid passage through the steps within each grade, from P-1 to D-2 inclusive, for the same staff, in this case the interval between steps being ten months instead of twelve; a reduction by the same proportion will be applied for grades where the interval between each step is at present more than twelve months;

2. *Decides* that confirmation of the knowledge of a second language shall be the obtaining of the language proficiency certificate as at present awarded by the United Nations, that is, by boards consisting of language teachers; since the end in view is essentially to provide understanding of the written and the spoken language, the language training courses will have to be modified accordingly;

3. *Decides* that the second language, knowledge of which will be confirmed by the award of the language proficiency certificate, shall be one of the official languages listed in rule 51 of the rules of procedure of the General Assembly;

4. *Urges* the Secretary-General to take all the necessary steps to enable all the staff members specified above who so request to take language courses and to ensure that modern teaching methods are used as widely as possible;

5. *Invites* the Secretary-General to report to the General Assembly at its twenty-eighth session, in 1973, on the action taken under the present resolution, in order to enable the Assembly to take, if necessary, whatever steps it may deem appropriate, bearing in mind the present resolution and resolutions 2241 B (XXI) and 2359 B (XXII), it being understood that the application of the language bonus established by the Assembly in resolution 2359 B (XXII) remains in suspense pending the decision to be taken by the Assembly at its twenty-eighth session.
