<sup>11</sup> *Official Records of the General Assembly, Twenty-fifth Session, Supplement No. 2* (A/8002).

2554 (XXIV) and 2555 (XXIV) of 12 December 1969,

*Noting with grave concern* that ten years after the adoption of the Declaration many Territories are still under colonial domination and racist régimes,

*Deploring* the continued refusal of the colonial Powers, especially Portugal and South Africa, to implement the Declaration and other relevant resolutions on the question of decolonization, particularly those relating to the Territories under Portuguese domination, Namibia and Southern Rhodesia,

*Reiterating* its conviction that the continuation of colonialism in all its forms and manifestations—including racism, *apartheid* and activities of foreign economic and other interests which exploit colonial peoples—and the attempts of some colonial Powers to suppress national liberation movements by repressive activities against colonial peoples are incompatible with the Charter of the United Nations, the Universal Declaration of Human Rights and the Declaration on the Granting of Independence to Colonial Countries and Peoples and pose a threat to international peace and security,

*Strongly deploring* the attitude of those States which, in defiance of the relevant resolutions of the Security Council, the General Assembly and the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, continue to co-operate with the Governments of Portugal and South Africa and with the illegal racist minority régime in Southern Rhodesia,

4. *Urges* all States, in particular the administering Powers, and the specialized agencies and other organizations within the United Nations system to give effect to the recommendations contained in the report of the Special Committee for the speedy implementation of the Declaration and the relevant United Nations resolutions;

5. *Reaffirms* its recognition of the legitimacy of the struggle of the colonial peoples and peoples under alien domination to exercise their right to self-determination and independence by all the necessary means at their disposal and notes with satisfaction the progress made in the colonial Territories by the national liberation movements, both through their struggle and through reconstruction programmes;

6. *Urges* all States and the specialized agencies and other organizations within the United Nations system to provide, in consultation, as appropriate, with the Organization of African Unity, moral and material assistance to national liberation movements in the colonial Territories;
