

Having also examined the report of the Secretary-General on the item,⁵

Deploring that, despite the repeated recommendations of the General Assembly and the Special Committee, some Member States having responsibilities for the administration of Non-Self-Governing Territories have ceased or have failed to transmit information under Article 73 *e* of the Charter,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the information from Non-Self-Governing Territories transmitted under Article 73 *e* of the Charter of the United Nations;

2. *Reaffirms* that, in the absence of a decision by the General Assembly itself that a Non-Self-Governing Territory has attained a full measure of self-government in terms of Chapter XI of the Charter, the administering Power concerned should continue to transmit information under Article 73 *e* of the Charter with respect to that Territory;

3. *Requests* the administering Powers concerned to transmit, or continue to transmit, to the Secretary-General the information prescribed in Article 73 *e* of the Charter, as well as the fullest possible information on political and constitutional developments in the Territories concerned, within a maximum period of six months following the expiration of the administrative year in those Territories;

4. *Requests* the Special Committee to continue to discharge the functions entrusted to it under General Assembly resolution 1970 (XVIII), in accordance with established procedures, and to report thereon to the Assembly at its thirty-second session.

31/30. Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations

The General Assembly,

Having considered the item entitled "Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples by the specialized agencies and the international institutions associated with the United Nations",

Recalling the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV) of 14 December 1960, and the programme of action for the full implementation of the Declaration, contained in its resolution 2621 (XXV) of 12 October 1970, as well as all other relevant resolutions of the General Assembly and the Security Council,

Having examined the reports submitted on the item by the Secretary-General,⁶ the Economic and Social Council⁷ and the Special Committee on the Situation

with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples,⁸

Taking into account the positions of the national liberation movements of the colonial Territories in Africa on this item, as explained to the Special Committee and to the *Ad Hoc* Group established by the Committee at its 1029th meeting on 1 April 1976,⁹ which visited a number of African countries in May 1976, and conscious of the urgent and pressing need of the peoples concerned for concrete assistance from the specialized agencies and other organizations within the United Nations system,

Reaffirming the responsibility of the specialized agencies and other organizations within the United Nations system to take all effective measures, within their respective spheres of competence, to ensure the full and speedy implementation of the Declaration and other relevant resolutions of the United Nations, particularly in the provision of moral and material assistance on a priority basis, to the peoples of the colonial Territories and their national liberation movements,

Noting with concern that, although progress has been maintained in the extension of assistance to refugees from the colonial Territories in Africa, the actions taken hitherto by the organizations concerned in the provision of assistance to the peoples of the Territories through their national liberation movements continue to remain inadequate to meet the urgent needs of these peoples,

Noting with satisfaction the measures initiated by some of the specialized agencies and other organizations within the United Nations system, in particular the World Food Programme and the United Nations Development Programme, to provide assistance on a priority basis to the peoples of the Territories formerly administered by Portugal, and expressing its appreciation to the Secretary-General for the initiative he has taken in that regard,

Expressing its appreciation to the General Secretariat of the Organization of African Unity for the continued co-operation and assistance extended by it to the organizations within the United Nations system in connexion with the implementation of the relevant resolutions of the United Nations,

Mindful of the necessity to keep under continuous review the activities of the specialized agencies and other organizations within the United Nations system in the implementation of the various United Nations decisions relating to decolonization,

1. *Approves* the chapter of the report of the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples relating to the item;⁸

2. *Reaffirms* that the recognition by the General Assembly, the Security Council and other United Nations organs of the legitimacy of the struggle of colonial peoples to achieve freedom and independence entails, as a corollary, the extension by the organizations within the United Nations system of all the necessary moral and material assistance to the peoples of the colonial Territories and their national liberation movements;

3. *Expresses its appreciation* to those specialized agencies and organizations within the United Nations

system which have continued to co-operate in varying degrees with the United Nations in the implementation of the Declaration and other relevant resolutions of the General Assembly;

4. *Expresses its concern* that the assistance extended so far by the specialized agencies and other organizations within the United Nations system to the colonial peoples, particularly those of Zimbabwe and Namibia, and to their national liberation movements is far from adequate in terms of the actual needs of the peoples concerned;

5. *Regrets* that the World Bank and the International Monetary Fund have not yet taken the necessary measures towards the full and speedy implementation of the Declaration and other relevant resolutions of the General Assembly;

6. *Requests* the specialized agencies and other organizations within the United Nations system to render or continue to render, as a matter of urgency, all possible moral and material assistance to the colonial peoples in Africa struggling for their liberation from colonial rule;

7. *Recommends* that the organizations concerned should initiate or broaden contacts and co-operation with the colonial peoples in consultation with the Organization of African Unity, review their procedures with respect to the formulation and preparation of assistance programmes and projects and introduce greater flexibility in these procedures so as to be able to extend the necessary assistance without delay to help the colonial peoples and their national liberation movements in their struggle to exercise their inalienable right to self-determination and independence in accordance with General Assembly resolution 1514 (XV);

8. *Urges once again* the specialized agencies and other organizations within the United Nations system, in accordance with the relevant resolutions of the General Assembly and the Security Council, to take all necessary measures to withhold any financial, economic, technical or other assistance from the Government of South Africa and the illegal régime in Southern Rhodesia, to discontinue all support to them until they restore to the peoples of Namibia and Zimbabwe their inalienable right to self-determination and independence and to refrain from taking any action which might imply recognition of the legitimacy of the domination of the Territories by those régimes;

9. *Notes with satisfaction* the arrangements made by several specialized agencies and organizations which enable representatives of the national liberation movements recognized by the Organization of African Unity to participate fully as observers in the proceedings relating to matters concerning their respective countries, and calls upon those international institutions which have not yet done so to follow this example and to make the necessary arrangements without delay;

10. *Recommends* that all Governments should intensify their efforts in the specialized agencies and other organizations within the United Nations system of which they are members to ensure the full and effective implementation of the Declaration and other relevant resolutions of the United Nations and, in that connexion, should accord priority to the question of providing assistance on an emergency basis to the peoples in the colonial Territories and their national liberation movements;

11. *Urges* the executive heads of the specialized agencies and other organizations within the United

Nations system, having regard to the recommendations contained in paragraph 7 above, to formulate with the active co-operation of the Organization of African Unity and to submit, as a matter of priority, to their governing and legislative organs concrete proposals for the full implementation of the relevant United Nations decisions, in particular specific programmes of assistance to the peoples in the colonial Territories and their national liberation movements;

12. *Requests* the Secretary-General:

(a) To prepare for submission to the relevant bodies concerned with related aspects of the present item, with the assistance of the specialized agencies and other organizations within the United Nations system, a report on the action taken since the circulation of his previous report in implementation of the relevant resolutions of the United Nations, including the present resolution;

(b) To continue to assist the specialized agencies and other organizations within the United Nations system in working out appropriate measures for implementing the present resolution and to report thereon to the General Assembly at its thirty-second session;

13. *Requests* the Economic and Social Council to continue to consider, in consultation with the Special Committee, appropriate measures for co-ordination of the policies and activities of the specialized agencies and other organizations within the United Nations system in implementing the relevant resolutions of the General Assembly;

14. *Requests* the Special Committee to continue to examine this question and to report to the General Assembly at its thirty-second session.

31/31. United Nations Educational and Training Programme for Southern Africa

The General Assembly,

Recalling its resolutions on the United Nations Educational and Training Programme for Southern Africa, in particular resolution 3422 (XXX) of 8 December 1975,

Taking note of the report of the Secretary-General on the Programme for 1975/76,¹⁰

Taking note with satisfaction of the increase in contributions to the Programme which permitted the continuance in 1975/76 of a substantial level of assistance, in the form of individual awards, for the education of persons from the Territories concerned,

Recognizing however that, because of significant increases in the costs of educational and training awards, additional funds are essential if the Programme is to continue in operation at a satisfactory level,

Considering that the Programme has been a significant and worth-while effort of the international community, and that a continuation and expansion of the Programme is desirable to meet the increased needs arising from recent developments in the Territories concerned,

1. *Expresses its appreciation* to all those who have made voluntary contributions to the United Nations Educational and Training Programme for Southern Africa;
