33/8. Physical education and sports exchanges among young people

The General Assembly,

Recalling the Declaration on the Promotion among Youth of the Ideals of Peace, Mutual Respect and Understanding between Peoples, proclaimed in General Assembly resolution 2037 (XX) of 7 December 1965,

Bearing in mind principle IV of the Declaration, which enumerates some of the activities that should be encouraged and facilitated among young people in order to bring them together in educational, cultural and sporting activities in the spirit of the Declaration,

Noting the efforts being made by the United Nations Educational, Scientific and Cultural Organization to enhance the role of physical education and sports in school curricula and their importance in promoting universal understanding and friendship among peoples,

Convinced that physical education and sports exchanges can contribute to international efforts to promote peace, mutual understanding, co-operation and the development of friendly relations among peoples,

Convinced also that participation in sports exchanges with teams selected on the basis of *apartheid* violates the fundamental human rights of the great majority of the people of South Africa,

1. *Recommends* that Member States should adopt the necessary measures to promote physical education and sports exchange programmes, particularly among young people and on the basis of equality of men and women, in order to improve the quality of life, inculcate fundamental human values and promote selfless competition, solidarity and full respect for the integrity and dignity of all human beings;

2. *Calls upon* all States to take appropriate action to bring about the total cessation of sporting contacts with any country practising *apartheid* and to refrain from official sponsorship, assistance or encouragement of such contacts;

3. *Invites* the United Nations Educational, Scientific and Cultural Organization, regional organizations and other interested organizations and programmes within the United Nations system to intensify their efforts to promote meetings between young people through sports and physical education activities;

4. *Requests* the Secretary-General to submit to the General Assembly at its thirty-sixth session a report on the activities undertaken by Member States, the United Nations Educational, Scientific and Cultural Organization, regional organizations and other interested organizations and programmes within the

United Nations system in the field of physical education and sports, particularly among young people.

33/23. Adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to colonial and racist régimes in southern Africa

The General Assembly,

Recalling its resolutions 3382 (XXX) and 3383 (XXX) of 10 November 1975 and 31/33 of 30 November 1976,

Recalling also its resolutions 3201 (S-VI) and 3202 (S-VI) of 1 May 1974, containing the Declaration and the Programme of Action on the Establishment of a New International Economic Order, and its resolution 3281 (XXIX) of 12 December 1974, containing the Charter of Economic Rights and Duties of States,

Mindful of its resolution 3171 (XXVIII) of 17 December 1973 relating to permanent sovereignty over natural resources of both developing countries and territories under colonial and foreign domination or subjected to the *apartheid* régime,

Bearing in mind resolutions 7 (XXXIII) of 4 March 1977⁵ and 6 (XXXIV) of 22 February 1978⁶ of the Commission on Human Rights,

Having taken note of the report prepared and brought up to date by the Special Rapporteur on the adverse consequences for the enjoyment of human rights of political, military, economic and other forms of assistance given to colonial and racist régimes in southern Africa,⁷

Convinced that the above-mentioned report contains additional evidence enabling the General Assembly to conclude that the political, military, economic and other forms of assistance given to the racist and colonialist régimes in South Africa and Southern Rhodesia by certain States is the major factor in the perpetuation of the abominable policies of these régimes inasmuch as they adversely affect the human rights and fundamental freedoms of the oppressed peoples of southern Africa,

Taking note of resolution 2 (XXXI) of 13 September 1978⁸ of the Sub-Commission on Prevention of Discrimination and Protection of Minorities,

Noting further that the maintenance by certain States of political, economic, military and other relations with the racist régime of South Africa is in flagrant and deliberate violation of the purposes and principles of the Charter and the relevant resolutions of the United Nations,

Convinced that the continued military and nuclear co-operation of certain States and organizations with the racist régime of South Africa constitutes a serious
