

6. *Endorses* the recommendation of the Committee on the Peaceful Uses of Outer Space that the Secretary-General should be requested to prepare for the consideration of the Scientific and Technical Sub-Committee the further studies on organizational and financial matters relating to remote sensing activities from space mentioned in paragraph 32 of the report of the Committee;

7. *Further endorses* the recommendation that the Secretary-General should explore the feasibility of utilizing existing facilities and expertise to establish, on an experimental basis, an international centre for the training of personnel from developing countries in the effective use of remote sensing information and take other possible steps, as set out in paragraph 33 (a) of the report of the Committee on the Peaceful Uses of Outer Space, as well as undertake an appropriate users' survey to obtain a clearer understanding of the real needs of the users and their stage of preparedness in this area of activity;

8. *Requests* the Secretary-General, in view of the increased burden of activity placed upon the Secretariat in responding to requests for studies, reports, surveys and experimental practical programmes, as well as the increased role in ensuring more effective inter-agency co-ordination, to take measures, if possible within his present resources, for the strengthening of the Outer Space Affairs Division of the Secretariat;

9. *Notes with satisfaction* that the Scientific and Technical Sub-Committee has pursued its work, *inter alia*, on:

(a) The United Nations programme on space applications;

(b) The question of a possible international conference on outer space matters;

10. *Requests* the Scientific and Technical Sub-Committee at its thirteenth session to undertake further detailed work on these and other matters in accordance with the recommendations of the Committee on the Peaceful Uses of Outer Space, as set out in paragraph 53 of its report;

11. *Endorses* the United Nations programme on space applications as referred to in paragraph 36 of the report of the Committee on the Peaceful Uses of Outer Space;

12. *Recommends* the continuing review of the space applications programme, so as to enable it to respond more effectively to the needs of the developing countries for assistance in the practical applications of space technology;

13. *Affirms* the importance of ensuring effective inter-agency co-ordination in the area of space applications;

14. *Requests* the specialized agencies to provide the Committee on the Peaceful Uses of Outer Space with progress reports on their work, including particular problems in the fields within their competence relating to the peaceful uses of outer space;

15. *Reiterates* its request to the World Meteorological Organization to pursue actively the implementation of its tropical cyclone project, while continuing and intensifying its other related action programmes, including the World Weather Watch and, especially, the efforts being undertaken towards obtaining basic meteorological data and discovering ways and means to mitigate the harmful effects of tropical storms and to remove or minimize their destructive potential, and

looks forward to its report thereon in accordance with General Assembly resolutions 2914 (XXVII) of 9 November 1972, 3182 (XXVIII) of 18 December 1973 and 3234 (XXIX) of 12 November 1974;

16. *Approves* continuing sponsorship by the United Nations of the Thumba Equatorial Rocket Launching Station in India and the CELPA Mar del Plata Station in Argentina and expresses its satisfaction at the work being carried out at those ranges in the peaceful and scientific exploration of outer space;

17. *Notes* the suggestion made by the Chairman of the Committee on the Peaceful Uses of Outer Space<sup>7</sup> concerning a potential future role of the Committee in view of the prospective significance of the collection and transmission of solar energy through space technology;

18. *Requests* the Committee on the Peaceful Uses of Outer Space to continue its work, as set out in the present and previous resolutions of the General Assembly, and to report to the Assembly at its thirty-first session.

### 3389 (XXX). Implementation of the Declaration on the Strengthening of International Security

*The General Assembly,*

*Having considered* the item entitled "Implementation of the Declaration on the Strengthening of International Security",

*Bearing in mind* the Declaration on the Strengthening of International Security,<sup>8</sup> and the relevant resolutions of the General Assembly concerning the implementation of the Declaration,

*Welcoming* the fact that for thirty years after the victory of the United Nations in the Second World War mankind has been saved from another world war, although local wars and conflicts have persisted in various regions of the world,

*Welcoming* new achievements and trends in international relations, such as the progress in decolonization, the liquidation of the hotbed of war in Indo-China, the successful outcome of the Conference on Security and Co-operation in Europe<sup>9</sup> and other efforts contributing to the strengthening of international security and the promoting of peaceful coexistence in accordance with the Charter of the United Nations,

*Welcoming also*, in that context, the successful outcome of the Conference of Ministers for Foreign Affairs of Non-Aligned Countries held at Lima from 25 to 30 August 1975,<sup>10</sup> which represents a further contribution to the strengthening of international security,

*Noting with grave concern*, however, the continuing existence of focal points of crises and tensions in various regions endangering international peace and security, the continuation of the arms race as well as acts of aggression, the threat or use of force, foreign occupation and alien domination, and the existence of colonialism, neo-colonialism, racial discrimination and
