Noting that fewer than one per thousand of the Palestinian refugee students have the chance to continue higher education, including vocational training,

Noting also that over the past several years the number of scholarships offered by the United Nations Relief and Works Agency for Palestine Refugees in the Near East has dwindled to half of what it was because of the Agency's recurring budgetary difficulties,

3. *Invites* the relevant United Nations agencies to continue to expand the inclusion within their respective spheres of competence of assistance for higher education for the Palestinian refugee students;

4. *Appeals* to all States, specialized agencies and the United Nations University to contribute generously to the Palestinian universities in the territories occupied by Israel since 1967;

5. *Also appeals* to all States, specialized agencies and other international bodies to contribute towards the establishment of vocational training centres for Palestinian refugees;
