

34/78. Establishment of a nuclear-weapon-free zone in South Asia

The General Assembly,

Recalling its resolutions 3265 B (XXIX) of 9 December 1974, 3476 B (XXX) of 11 December 1975, 31/73 of 10 December 1976, 32/83 of 12 December 1977 and 33/65 of 14 December 1978 concerning the establishment of a nuclear-weapon-free zone in South Asia,

Reiterating its conviction that the establishment of nuclear-weapon-free zones in various regions of the world is one of the measures which can contribute most effectively to the objectives of non-proliferation of nuclear weapons and general and complete disarmament,

Believing that the establishment of a nuclear-weapon-free zone in South Asia, as in other regions, will strengthen the security of the States of the region against the use or threat of use of nuclear weapons,

Noting the declarations issued at the highest level by Governments of South Asian States reaffirming their undertaking not to acquire or manufacture nuclear weapons and to devote their nuclear programmes exclusively to the economic and social advancement of their peoples,

Recalling that in the above-mentioned resolutions it called upon the States of the South Asian region and such other neighbouring non-nuclear-weapon States as might be interested to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the mean time, from any action contrary to this objective,

Further recalling that, in its resolutions 3265 B (XXIX), 31/73 and 32/83, it requested the Secretary-General to convene a meeting for the purpose of the consultations mentioned therein and to render such assistance as might be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia,

Bearing in mind the provisions of paragraphs 60 to 63 of the Final Document of the Tenth Special Session of the General Assembly²⁰ regarding the establishment of nuclear-weapon-free zones, including in the region of South Asia,

Taking note of the report of the Secretary-General on the establishment of a nuclear-weapon-free zone in South Asia,²¹

1. Reaffirms its endorsement, in principle, of the concept of a nuclear-weapon-free zone in South Asia;

2. Urges once again the States of South Asia and such other neighbouring non-nuclear-weapon States as may be interested to continue to make all possible efforts to establish a nuclear-weapon-free zone in South Asia and to refrain, in the mean time, from any action contrary to this objective;

3. Calls upon those nuclear-weapon States which have not done so to respond positively to this proposal and to extend the necessary co-operation in the efforts to establish a nuclear-weapon-free zone in South Asia;

4. Requests the Secretary-General to render such assistance as may be required to promote the efforts for the establishment of a nuclear-weapon-free zone in South Asia and to report on the subject to the General Assembly at its thirty-fifth session;

²⁰ Resolution S-10/2.

²¹ A/34/527.

5. Decides to consider this item at its thirty-fifth session.

34/79. Prohibition of the development and manufacture of new types of weapons of mass destruction and new systems of such weapons

The General Assembly,

Recalling its resolutions 3479 (XXX) of 11 December 1975, 31/74 of 10 December 1976, 32/84 A of 12 December 1977 and 33/66 B of 14 December 1978 concerning the prohibition of new types of weapons of mass destruction,

Bearing in mind the provisions of paragraph 39 of the Final Document of the Tenth Special Session of the General Assembly,²² according to which qualitative and quantitative disarmament measures are both important for halting the arms race and efforts to that end must include negotiations on the limitation and cessation of the qualitative improvement of armaments, especially weapons of mass destruction, and the development of new means of warfare,

Recalling the decision contained in paragraph 77 of the Final Document to the effect that, in order to help prevent a qualitative arms race and so that scientific and technological achievements might ultimately be used solely for peaceful purposes, effective measures should be taken to prevent the emergence of new types of weapons of mass destruction based on new scientific principles and achievements, and that efforts should be appropriately pursued aiming at the prohibition of such new types and new systems of weapons of mass destruction,

Expressing its firm belief, in the light of the decisions adopted at the tenth special session, in the importance of concluding an agreement or agreements to prevent the use of scientific and technological progress for the development of new types of weapons of mass destruction and new systems of such weapons,

Noting with satisfaction the submission on 9 July 1979, for consideration by the Committee on Disarmament, of the joint proposal by the Union of Soviet Socialist Republics and the United States of America on major elements of a treaty prohibiting the development, production, stockpiling and use of radiological weapons,²³ agreed upon during the negotiations between the Union of Soviet Socialist Republics and the United States of America,

Noting that in the course of its session in 1979 the Committee on Disarmament considered the item entitled "New types of weapons of mass destruction and new systems of such weapons; radiological weapons",

Taking into consideration the part of the report of the Committee on Disarmament relating to this question,²⁴

1. Requests the Committee on Disarmament, in the light of its existing priorities, actively to continue negotiations, with the assistance of qualified governmental experts, with a view to preparing a draft comprehensive agreement on the prohibition of the development and

manufacture of new types of weapons of mass destruction and new systems of such weapons and, where necessary, specific agreements on particular types of such weapons;

2. *Requests* the Committee on Disarmament to submit a report on the results achieved to the General Assembly for consideration at its thirty-fifth session;

3. *Once again urges* all States to refrain from any action which could adversely affect the talks aimed at working out an agreement or agreements to prevent the emergence of new types of weapons of mass destruction and new systems of such weapons;

4. *Requests* the Secretary-General to transmit to the Committee on Disarmament all documents relating to the consideration of this item by the General Assembly at its thirty-fourth session;

34/80. Implementation of the Declaration of the Indian Ocean as a Zone of Peace

A

The General Assembly,

Recalling the Declaration of the Indian Ocean as a Zone of Peace, contained in its resolution 2832 (XXVI) of 16 December 1971, and recalling also its resolutions 2992 (XXVII) of 15 December 1972, 3080 (XXVIII) of 6 December 1973, 3259 A (XXIX) of 9 December 1974, 3468 (XXX) of 11 December 1975, 31/88 of 14 December 1976, 32/86 of 12 December 1977, S-10/2 of 30 June 1978 and 33/68 of 14 December 1978,

Encouraged by the continued support extended to the Declaration by the Sixth Conference of Heads of State or Government of Non-Aligned Countries, held at Havana from 3 to 9 September 1979,²⁵

Reaffirming its conviction that concrete action in furtherance of the objectives of the Declaration would be a substantial contribution to the strengthening of international peace and security,

Deeply concerned at the intensification of great-Power military presence, conceived in the context of great-Power rivalry, leading to an increase of tension in the area,

Considering that the continued military presence of the great Powers in the Indian Ocean, conceived in the context of great-Power rivalry, with the danger of a competitive escalation of such a military presence, gives greater urgency to the need to take practical steps for the early implementation of the Declaration of the Indian Ocean as a Zone of Peace,

Considering also that the creation of a zone of peace in the Indian Ocean requires co-operation among the regional States to ensure conditions of peace and security within the region, as envisaged in the Declaration, and the sovereignty and territorial integrity of the littoral and hinterland States,

Further considering that, at its tenth special session, it noted the proposal for establishing the Indian Ocean as a zone of peace, taking into account its deliberations

and its relevant resolutions and the need to ensure the maintenance of peace and security in the region,²⁶

Noting that talks were initiated between the Union of Soviet Socialist Republics and the United States of America regarding their military presence in the Indian Ocean, and that the two countries have kept the *Ad Hoc* Committee on the Indian Ocean informed of the current situation concerning those talks,

Regretting, however, that the talks remain suspended,

Encouraged by the holding of the Meeting of the Littoral and Hinterland States of the Indian Ocean, which provided an opportunity for the further harmonization of the positions of the littoral and hinterland States,

1. *Takes note* of the report of the *Ad Hoc* Committee on the Indian Ocean²⁷ and the report of the Meeting of the Littoral and Hinterland States of the Indian Ocean;²⁸

2. *Takes note with satisfaction* of the issues on which the Meeting of the Littoral and Hinterland States of the Indian Ocean succeeded in harmonizing a common position;

3. *Expresses the hope* for the early implementation of the Declaration of the Indian Ocean as a Zone of Peace;

4. *Urges* that the talks between the Union of Soviet Socialist Republics and the United States of America regarding their military presence in the Indian Ocean should be resumed without delay and that the parties should refrain from any activity prejudicial to the implementation of resolution 2832 (XXVI);

5. *Renews* the general mandate of the *Ad Hoc* Committee as defined in the relevant resolutions;

6. *Requests* the *Ad Hoc* Committee to submit to the General Assembly at its thirty-fifth session a full report on its work;

7. *Requests* the Secretary-General to continue to render all necessary assistance to the *Ad Hoc* Committee.
