The General Assembly,

Recalling its resolution 3336 (XXIX) of 17 December 1974, entitled "Permanent sovereignty over national resources in the occupied Arab territories", in paragraph 5 of which it requested the Secretary-General, with the assistance of relevant specialized agencies and United Nations organs, including the United Nations Conference on Trade and Development, to prepare a report on the adverse economic effects on the Arab States and peoples resulting from repeated Israeli aggression and continued occupation of their territories,
