37/152. Assistance to Cape Verde

The General Assembly,

Recalling its resolution 36/211 of 17 December 1981, in which the international community was called upon to take adequate measures to support the realization of the Five-Year Plan of Cape Verde,

Recalling also its resolutions 32/99 of 13 December 1977, 33/127 of 19 December 1978, 34/119 of 14 December 1979 and 35/104 of 5 December 1980, in which the international community was requested to provide an appropriate level of resources for the implementation of the programme of

assistance to Cape Verde as envisaged in the reports of the Secretary-General,⁵⁶

Recalling further its resolution 36/194 of 17 December 1981, endorsing the Substantial New Programme of Action for the 1980s for the Least Developed Countries,⁵⁷

Acknowledging the difficulties inherent in the fragile economy of Cape Verde, aggravated by a permanent and severe drought situation,

Noting that Cape Verde is a least developed country, a small archipelago and a member of the Permanent Inter-State Committee in Drought Control in the Sahel,

Recognizing that increased substantial and continuous assistance from the international community, both in the short term and in the long term, will contribute to the effective development of Cape Verde,

Taking into account that a round table of Cape Verde's partners in development was organized jointly by Cape Verde and the United Nations Development Programme at Praia, Cape Verde, from 21 to 24 June 1982, which undertook a concrete and detailed analysis of the priorities of Cape Verde and the level of resources needed for the implementation of the Five-Year Plan,

Gravely concerned that the expected harvest for 1983 has been lost as a result of the failure of the seasonal rains and the recurrence of drought,

Noting that, according to a joint report of the Food and Agriculture Organization of the United Nations and the World Food Programme of January 1982, the food situation of Cape Verde will remain very critical in the short term and the medium term,

Recognizing the strenuous efforts deployed by the Government and the people of Cape Verde in the process of the socio-economic development of the country, despite existing constraints,

Having examined the report of the Secretary-General of 14 June 1982⁵⁸ on assistance to Cape Verde,

1. *Expresses its appreciation* to the Secretary-General for the efforts deployed in the process of mobilizing resources for the implementation of the programme of assistance to Cape Verde;

2. *Expresses its gratitude* to States, and to international, regional and interregional organizations and other intergovernmental organizations for their contribution to the programme of assistance to Cape Verde;

3. *Expresses its appreciation* to those Governments and international organizations and non-governmental organizations which participated in the round table of Cape Verde's partners in development, and urges them to take appropriate measures to implement the conclusions of that meeting;

4. *Calls the attention* of the international community to table 6 of the annex to the report of the Secretary-General,⁵⁸ which enumerates the projects to which the Government attaches priority;

5. *Urges* Governments and international, regional and interregional organizations and other intergovernmental organizations to extend and intensify substantially their assistance with a view to implementing the programme of assistance to Cape Verde as soon as possible;

6. *Invites* the international community, in particular donor countries, to take appropriate and urgent measures to

support the realization of the Five-Year Plan of Cape Verde, in accordance with the Substantial New Programme of Action for the 1980s for the Least Developed Countries;

7. *Requests* the organizations, organs and bodies of the United Nations system to continue and to increase their assistance to Cape Verde, to co-operate with the Secretary-General in his efforts to mobilize resources for the implementation of the programme of assistance and to report periodically to him on the measures they have taken and the resources they have made available to help that country;

8. *Calls upon* the international community to continue to contribute generously to all appeals for food and fodder assistance, made by the Government of Cape Verde or on its behalf by the specialized agencies and other competent organizations of the United Nations system to help it cope with the critical situation in the country;

9. *Draws once again the attention* of the international community to the special account which was established at United Nations Headquarters by the Secretary-General, in accordance with General Assembly resolution 32/99, for the purpose of facilitating the channelling of contributions to Cape Verde;

10. *Invites* the United Nations Conference on Trade and Development, the United Nations Children's Fund, the World Food Programme, the World Health Organization, the United Nations Industrial Development Organization, the Food and Agriculture Organization of the United Nations, the World Bank and the International Fund for Agricultural Development to continue to consider, through their governing bodies, the special needs of Cape Verde and to report the decisions of those bodies to the Secretary-General by 15 July 1983;

11. *Requests* the Secretary-General:

(a) To continue his efforts to mobilize the necessary resources for implementing the programme of development assistance to Cape Verde;

(b) To keep the situation in Cape Verde under constant review and to apprise the Economic and Social Council, at its second regular session of 1983, on the progress made in the implementation of the present resolution, and to report thereon to the General Assembly at its thirty-eighth session;

(c) To arrange for a review of the economic situation in Cape Verde and to make a substantive report on further progress in organizing and implementing the special programme of economic assistance for that country in time for the matter to be considered by the General Assembly at its thirty-ninth session.
