39/187. Assistance to Sao Tome and Principe

The General Assembly,

Recalling its resolutions 32/96 of 13 December 1977, 33/125 of 19 December 1978, 34/131 of 14 December 1979, 35/93 of 5 December 1980, 36/209 of 17 December 1981 and 37/146 of 17 December 1982, in which it reiterated its appeal to the international community to provide financial, material and technical assistance to Sao Tome and Principe to enable it to establish the necessary social and economic infrastructure for development,

Aware that the economic and social development of Sao Tome and Principe has been seriously hindered by fragile infrastructure, inadequate health, educational and housing facilities and by insufficient external assistance, and that urgent improvement in these sectors is a prerequisite for the country's future progress,

Aware also that, at independence, the country inherited a plantation economy that made it dependent on imports to meet its national food requirements,

Noting with appreciation the concerted efforts undertaken by the Government of Sao Tome and Principe to increase national food production and to decrease dependence on food imports,

Concerned that the severe drought in 1982-1983 followed by abnormally heavy rains and floods in 1984 have seriously affected agricultural production, increased the national food deficit and reduced the ability of the country to pay for food imports,

Taking into account the decision of the Government of Sao Tome and Principe to convene, with the assistance of the United Nations Development Programme, a round-table conference of donors in September-October 1985 at Sao Tome, preparatory to the launching of a national development plan for 1986-1990,

Having examined the report of the Secretary-General,⁹¹ to which is annexed the report of the review mission sent to Sao Tome and Principe,

1. *Expresses its appreciation* to the Secretary-General for the steps he has taken to mobilize assistance to Sao Tome and Principe;

2. *Endorses fully* the assessment and recommendations contained in the annex to the report of the Secretary-General;

3. *Expresses its appreciation* to the Member States, international organizations, and other intergovernmental

and non-governmental organizations which have provided assistance to Sao Tome and Principe;

4. *Renews its appeal* to Member States, the appropriate organs, organizations and programmes of the United Nations system, regional and interregional organizations and other intergovernmental bodies and non-governmental organizations, as well as international financial institutions, to provide financial, technical and material assistance to Sao Tome and Principe through bilateral and multilateral channels, as appropriate, to enable it to strengthen its social and economic infrastructure and to implement the special programme of economic assistance;

5. *Urges* Member States, organizations and programmes of the United Nations system, regional and interregional bodies, financial and development institutions and intergovernmental and non-governmental organizations to participate in the round-table conference of donors to be held in 1985 and to provide all possible assistance for the implementation of the national development plan of Sao Tome and Principe;

6. *Calls upon* the international community to continue its food assistance programmes for Sao Tome and Principe in order to help it cope with the critical food situation in the country and to provide all possible assistance to enable the country to produce more food and reduce its dependence on food imports;

7. *Requests* the Secretary-General:

(a) To keep the situation in Sao Tome and Principe under constant review and to apprise the Economic and Social Council, at its second regular session of 1985, of the current status of the special programme of economic assistance for Sao Tome and Principe;

(b) To report on the progress made in the economic situation of Sao Tome and Principe and in organizing and implementing the special programme of economic assistance for that country in time for the matter to be considered by the General Assembly at its fortieth session.

Bearing in mind the enormous economic and social setbacks suffered by Uganda and the resultant precipitous decline in the well-being of its people,

Taking into account the revised recovery programme (1982-1984) presented by the Government of Uganda to the meeting of the Consultative Group on Uganda, held in Paris in January 1984 under the auspices of the World Bank,

Recognizing that Uganda is not only land-locked but also one of the least developed and most seriously affected countries,

Noting the appeals of the Secretary-General for assistance to Uganda,

Taking note of the summary report of the Secretary-General,⁹² in which it is stated that substantial additional assistance is required to finance the remaining projects in
