[on the report of the Third Committee (A/67/457/Add.1)]

### 67/160. Convention on the Rights of Persons with Disabilities and the Optional Protocol thereto

*The General Assembly,*

*Recalling* its previous relevant resolutions, the most recent of which was resolution 66/229 of 24 December 2011, as well as relevant resolutions of the Human Rights Council, the Commission for Social Development and the Commission on Human Rights,

*Welcoming* the fact that, since the opening for signature of the Convention on the Rights of Persons with Disabilities<sup>1</sup> and the Optional Protocol thereto<sup>2</sup> on 30 March 2007, 154 States and 1 regional integration organization have signed and 126 States have ratified or acceded to and 1 regional integration organization has formally confirmed the Convention and 91 States have signed and 76 States have ratified or acceded to the Optional Protocol,

*Noting* that, while the Convention has enjoyed a very high level of ratification in a short time, the Committee on the Rights of Persons with Disabilities currently meets for only one one-week session and one two-week session per year, and noting that, in particular cases, members of the Committee may require reasonable accommodation, as defined in the Convention,

*Noting also* that document and translation costs for the reports of States parties constitute the largest part of the budget for the Committee,

*Recalling* its resolutions 66/254 of 23 February 2012 and 66/295 of 17 September 2012 on the intergovernmental process of the General Assembly on strengthening and enhancing the effective functioning of the human rights treaty body system, and recognizing in this regard that a long-term solution to the problem of the increasing number of reports of States parties to the Convention can be found in this context,
