

1. *Instructs* a Sub-Committee, consisting of representatives of El Salvador, Haiti, India and Syria, to examine the Questionnaire formulated by the Trusteeship Council, to study such changes as may be necessary to adapt it to the special conditions of each Territory, and to submit its conclusions to the Trusteeship Council;

2. *Invites* the Trusteeship Council to undertake, on the basis of the work of the Sub-Committee established under the preceding paragraph, the preparation of separate questionnaires adapted to the particular circumstances of each Trust Territory.

471st plenary meeting,
9 December 1953.

752 (VIII). Attainment by the Trust Territories of the objective of self-government or independence

The General Assembly,

Recalling its resolution 558 (VI) of 18 January 1952 by which it invited the Administering Authority of each Trust Territory other than Somaliland under Italian administration to include in each annual report information concerning measures taken or contemplated towards self-government or independence and, *inter alia*, the estimated period of time required for such measures and for the attainment of the ultimate objective,

Having received from the Administering Authorities concerned annual reports covering periods subsequent to 18 January 1952 in respect of all except one of the Trust Territories, namely, the Territories of Western Samoa, New Guinea, Nauru, Tanganyika, Ruanda-Urundi, Togoland under British administration, Togoland under French administration and the Cameroons under French administration,

Noting that the Administering Authorities have not provided in these annual reports the information requested in resolution 558 (VI),

Noting, however, that the Administering Authority of Western Samoa has declared its intention¹⁹ to initiate in 1954 consultations among the representatives of the inhabitants leading to the establishment of a self-governing State,

1. *Reaffirms* resolution 558 (VI) of 18 January 1952;

2. *Commends* to the Administering Authorities of the other Trust Territories the example provided by the Administering Authority of Western Samoa in inviting the inhabitants themselves in 1954 to formulate proposals for the establishment of a self-governing State;

3. *Requests* the Trusteeship Council to include in its next and succeeding reports to the General Assembly a separate section dealing with the implementation of resolution 558 (VI) and the present resolution, specifying in particular the measures taken in respect of:

(a) Consultations with the inhabitants of each Trust Territory in regard to the measures taken or contemplated towards self-government;

(b) The development in each Trust Territory of representative, executive and legislative organs and the extension of their powers;

¹⁹ See *Official Records of the General Assembly, Eighth Session, Supplement No. 4*, page 64.

(c) The development in each Trust Territory of universal adult suffrage and direct elections;

(d) The training and appointment of indigenous persons in each Trust Territory for positions of responsibility in the administration;

(e) The development of adequate public revenue; and stating in each case its conclusions and recommendations in the light of resolution 558 (VI) and the present resolution.

471st plenary meeting,
9 December 1953.

753 (VIII). Educational advancement in Trust Territories: offers by Member States of study and training facilities

The General Assembly,

Noting from the report²⁰ of the Trusteeship Council the results to date of the project of fellowships, scholarships and internships offered by Member States to students from the Trust Territories pursuant to General Assembly resolution 557 (VI) of 18 January 1952,

Considering that the offers thus far made by Member States relate to study and training of university standard and that the inability of the Administering Authorities of the Trust Territories to provide a sufficient number of candidates is due in part to the generally low levels of education prevailing in the Territories and, in particular, to the inadequacy of facilities for post-primary education,

Considering further that the relatively small number of students qualified to take up such fellowships and scholarships requires that the most effective measures be taken to ensure that all potential candidates be given the opportunity to apply and that their applications be duly considered,

1. *Endorses* the tribute paid by the Trusteeship Council to the generosity of those Member States which have offered facilities, and expresses the hope that additional offers will be forthcoming;

2. *Expresses regret* that, in the absence of a sufficient number of qualified candidates, only a small proportion of the fellowships and scholarships offered have been utilized;

3. *Invites* Member States, in renewing or initiating offers of facilities, to take into account the special needs of the Trust Territories arising from their generally low levels of education, and to contemplate the provision of facilities not only for university study but also for post-primary and technical education and training of kinds which may most effectively further the political, economic, social and educational advancement of the Territories;

4. *Invites* Member States offering facilities, in cases where the languages of instruction differ from the languages of the Trust Territories, to consider the possibility of extending the duration of the facilities offered by a preliminary period of language training and other adjustment to the country of study or training;

5. *Recommends* that all Administering Authorities which have not done so give the fullest publicity in the Trust Territories under their administration to all offers of study and training facilities and take such other measures as will ensure that the greatest possible advantage is taken of the offers;
