Item 13 of the provisional agenda

Adoption of the cost estimates for 2020

**Revised Estimated Costs  
2020 Meeting of Experts of the High Contracting Parties to Protocol V**

**Note by the Secretariat**

1. The Thirteenth Conference of the High Contracting Parties to Protocol V to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects, held in Geneva on 11 November 2019, decided to convene the 2020 Meeting of Experts for a duration of up to one-and-a-half days on dates to be decided by the 2019 Meeting of the High Contracting Parties to the Convention, to be held from 13 to 15 November 2019.
2. This document is submitted pursuant to the above-mentioned decision of the High Contracting Parties to Protocol V and the subsequent decision of the 2019 Meeting of the High Contracting Parties to the Convention to convene a one-day meeting (CCW/MSP/2019/9, paragraph 39 (a)). The document provides estimated costs in the amount of US\$20,800 for convening the meeting. The biennial budget for 2020 & 2021 (US\$20,800 + US\$20,800) is US\$41,600.
3. It should be noted that the costs are estimated on the basis of past experience and anticipated workload. The actual costs will be determined after the closure of the meeting and completion of related work, with all relevant expenditures recorded in the accounts. At that time, any adjustments in the contributions made by the participants sharing the costs will be determined accordingly.
4. With regard to the financial arrangements, it will be recalled that, in accordance with the financial measures adopted in 2017, the assessment of contributions towards the cost of preparing and holding meetings shall be calculated on the basis of the United Nations scale of assessment, adjusted to take into account the difference between the United Nations membership on the one hand and the number of States other than High Contracting Parties in attendance combined with the number of High Contracting Parties on the other. States that are not High Contracting Parties, but that have accepted the invitation to take part in the meetings, share the costs to the extent of their respective rates of assessment under the United Nations scale of assessments.
5. Subject to the High Contracting Parties' approval of the estimated costs and cost-sharing formula, assessment notices will be prepared based on the overall estimated costs and applicable cost-sharing formula. Since the above-mentioned activities shall have no financial implication for the regular budget of the Organization, High Contracting Parties should proceed with the payment of their share of the estimated costs as soon as assessment notices have been received.
