Liberia	2013-2017	N/A	January – December 2018	Yes			In 2014 to 2017, implementation of the United Nations and UNDP programmes in the country was severely hampered due to a number of factors, namely, the Ebola crisis and the current preparations for the 2017 general elections. The extension is requested, with the endorsement of the Government, to enable more time to implement and align with national priorities, as espoused in the Agenda for Transformation.
