COMMISSION ON HUMAN RIGHTS

SECOND SESSION

PROPOSAL SUBMITTED BY THE FRENCH DELEGATION

The Commission considers it in conformity with its terms of reference to prepare and submit simultaneously to the Economic and Social Council and to the Governments of the United Nations:

1. A draft International and General Declaration on Human Rights, to become a Charter annexed to the United Nations Charter.

2. A draft for a first multilateral convention concerning the definition and safeguarding of certain human rights.

3. Proposals for the practical implementation of human rights to be inserted both in the Declaration and in the first standard-Convention.

The Commission decides to discuss the Report of the Drafting Committee on the draft Declaration, and subsequently to establish, for the examination of the other questions, two working parties whose report will be discussed at the present session of the Commission.
