Guyana, Nicaragua and Zimbabwe: revised draft resolution

The Security Council,

Having heard the statements made in connection with the situation in Grenada,

Recalling the Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States,

Recalling also the principles concerning the inadmissibility of intervention and interference in the internal affairs of States,

Reaffirming the sovereign and inalienable right of Grenada freely to determine its own political, economic and social system, and to develop its international relations without outside intervention, interference, subversion, coercion or threat in any form whatsoever,

Deeply deploring the events in Grenada which led to the killing of the Prime Minister, Mr. Maurice Bishop, and other prominent Grenadians,

Bearing in mind that, in accordance with Article 2, paragraph 4, of the Charter of the United Nations, all Member States are obliged to refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any State or to act in any other manner inconsistent with the principles of the Charter of the United Nations,

Gravely concerned at the military intervention taking place and determined to ensure a speedy return to normalcy in Grenada,

Conscious of the need for States to show consistent respect for the principles of the Charter of the United Nations,

1. Deeply deplores the armed intervention in Grenada, which constitutes a flagrant violation of international law and of the independence, sovereignty and territorial integrity of that State,

2. Deplores the death of innocent civilians resulting from the armed intervention;

3. Calls on all States to show strictest respect for the sovereignty, independence and territorial integrity of Grenada;

4. Calls for an immediate cessation of the armed intervention and the immediate withdrawal of the foreign troops from Grenada;

5. Requests the Secretary-General to follow closely the development of the situation in Grenada and to report to the Council within forty-eight hours on the implementation of this resolution.
