In paragraph 16 of its resolution 1051 (1996), adopted on 27 March 1996, the Security Council called for the consolidation of the periodic requirements for progress reports on relevant IAEA activities in Iraq under resolutions 699 (1991), 715 (1991) and 1051 (1996), and requested the Director General to submit such consolidated reports every six months to the Council, commencing on 11 April 1996.

I should therefore be grateful if you would arrange for the enclosed fifteenth consolidated biannual report to be distributed as a document of the Security Council.
