Report of the Security Council Committee pursuant to resolutions 751 (1992) and 1907 (2009) concerning Somalia and Eritrea

I. Introduction

1. The present report of the Security Council Committee pursuant to resolutions 751 (1992) and 1907 (2009) concerning Somalia and Eritrea covers the period from 1 January to 31 December 2017.
2. The Bureau of the Committee consisted of Kairat Umarov (Kazakhstan) as Chair and the representatives of Egypt and Japan as Vice-Chairs.

II. Background

3. By its resolution 733 (1992), the Security Council imposed a general and complete arms embargo on Somalia, and by its resolution 751 (1992), the Council established a committee to oversee the implementation of the embargo. Subsequently, in its resolutions 1356 (2001), 1425 (2002), 1744 (2007), 1772 (2007), 1846 (2008), 1851 (2008), 1916 (2010), 2060 (2012), 2093 (2013), 2111 (2013), 2142 (2014), 2182 (2014), 2244 (2015), 2317 (2016) and 2385 (2017), the Council introduced exemptions to and further defined the scope of the embargo.
4. By its resolution 1425 (2002), the Security Council established the Panel of Experts on Somalia, which was succeeded by the Monitoring Group established by its resolution 1519 (2003). By paragraphs 1, 2 and 7 of its resolution 1844 (2008), the Council imposed targeted measures (a travel ban, an asset freeze and a targeted arms embargo) on individuals and entities designated by the Committee. In the same resolution, the Council also introduced certain exemptions to those measures. In its resolution 2036 (2012), the Council imposed a ban on the direct or indirect import of charcoal from Somalia, whether or not the charcoal originated in Somalia. In its resolution 2093 (2013), the Council partially lifted the arms embargo for the development of the security forces of the Federal Government of Somalia.
5. In its resolution 1907 (2009), the Security Council imposed a two-way arms embargo on Eritrea, as well as targeted measures (a travel ban, an asset freeze and a targeted arms embargo) on individuals and entities designated by the Committee. The Council expanded the mandate of the Committee to enable it to oversee the implementation of those measures. The Monitoring Group, the name of which was changed to the Somalia and Eritrea Monitoring Group, was mandated to monitor, investigate and report on the implementation of the measures imposed in resolution 1907 (2009). In the same resolution, the Council also introduced certain exemptions to the targeted measures. On 5 December 2011, the Council adopted its resolution 2023 (2011), by which it expanded the restrictive measures concerning Eritrea in the areas of the “diaspora tax”, the Eritrean mining sector and financial services.
6. In 2014, the Security Council renewed the partial lifting of the arms embargo for the development of the security forces of the Federal Government of Somalia on two occasions: in resolution 2142 (2014), for a period of six months, and in resolution 2182 (2014), until 30 October 2015. In its resolution 2182 (2014), the Council authorized, for a period of 12 months, Member States acting nationally or through voluntary multinational naval partnerships, such as “combined maritime forces”, to interdict charcoal and arms being transported in violation of the sanctions measures in Somali territorial waters and on the high seas off the coast of Somalia, extending to and including the Arabian Sea and the Persian Gulf. The Council renewed the

partial lifting of the arms embargo for the development of the security forces of the Federal Government of Somalia and the authorization for the maritime interdiction of arms and Somali charcoal in its resolutions [2244 \(2015\)](#), [2317 \(2016\)](#) and [2385 \(2017\)](#), most recently until 15 November 2018.

7. The mandate of the Somalia and Eritrea Monitoring Group, consisting of eight experts, was last extended in resolution [2385 \(2017\)](#), until 15 December 2018.

8. Further background information on the Somalia and Eritrea sanctions regimes can be found in the previous annual reports of the Committee.
