## Identical letters dated 28 June 2019 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I write to inform you of Lebanese violations of Security Council resolution 1701 (2006), breaches of Israeli sovereignty, and repeated crossings of the Blue Line in May 2019. A comprehensive list of those violations is included in the annex to the present letter.

As outlined in the present letter, as well as in previous letters that I have sent, Lebanese violations of resolution 1701 (2006) occur daily. Despite their visibility and frequency, however, the vast majority of those violations continue to be excluded from the reports of the Secretariat.

I trust that future reports on the implementation of resolution 1701 (2006) will reflect the ongoing violations and the demand that the Lebanese Government abide by its commitment under the resolution.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(Signed) Danny **Danon**Ambassador
Permanent Representative
