*Reaffirming* its respect for the sovereignty, territorial integrity, political independence, and unity of Somalia, including Somalia's sovereign rights in accordance with international law, with respect to offshore natural resources, including fisheries,

*Welcoming* that there were no successful piracy attacks off the coast of Somalia in the prior 12 months, and *noting* that joint counter-piracy efforts have resulted in a steady decline in pirate attacks as well as in hijackings since 2011, with no successful ship hijackings for ransom reported off the coast of Somalia since March 2017 however, *recognizing* the ongoing threat that resurgent piracy and armed robbery at sea poses, *noting* the letter of 2 December 2020 from the Permanent Representative of the Permanent Mission of Somalia to the United Nations requesting international assistance to counter piracy off its coast, *and recalling* reports of the Secretary General and communiqués of the Contact Group on Piracy off the Coast of Somalia (CGPCS), which continue to illustrate that piracy off the coast of Somalia has been repressed but not eradicated, and *commending* countries and organizations that have deployed naval counter-piracy missions in the region to suppress piracy and protect ships transiting through the waters off the coast of Somalia and the region,

*Reaffirming* that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 ("The Convention"), sets out the legal framework within which all activities in the oceans and seas must be carried out, including countering piracy and armed robbery at sea,

*Welcoming* the work of the CGPCS and the Law Enforcement Task Force (LETF) to facilitate the prosecution of suspected pirates and facilitators, and international efforts to coordinate the work of investigators and prosecutors, inter alia, through the LETF and collect and share information to disrupt the pirate enterprise, as exemplified by INTERPOL's Global Database on Maritime Piracy, *further commending* the Padang Communiqué and Maritime Cooperation Declaration adopted by the Indian Ocean Rim Association (IORA), and the operationalization of the Regional Maritime Information Fusion Center (RMIFC) in Madagascar and *emphasizing* the need for States and international organizations to further enhance international efforts in this regard,

*Commending* the efforts of the European Union Naval Forces (EUNAVFOR) Operation ATALANTA and EUCAP Somalia, Combined Maritime Forces' Combined Task Force 151 (CMF), the counter piracy activities of the African Union onshore in Somalia and other States acting in a national capacity in cooperation with Somali authorities to suppress piracy and to protect ships transiting through the waters off the coast of Somalia, and *welcoming* the Shared Awareness and Deconfliction Initiative (SHADE), and the efforts of individual countries, including China, India, Japan, the Republic of Korea, and the Russian Federation, which have deployed naval counter-piracy missions in the region,

*Commending* the efforts of the CGPCS and Kenya, which assumed the Chair of the CGPCS for the period 2020 to 2022, and despite their work being severely restrained due to the COVID-19 pandemic welcoming their efforts to convene a successful virtual Friends of the CGPCS Chair meeting, with participants from over 50 countries as well as regional and international organizations, to update on maritime threats and activities off the coast of Somalia and finalise the Terms of Reference for the Strategic Planning Steering Group that will develop a strategic plan on future priorities of the CGPCS, and explore the possibility of establishing a financial mechanism to replace the Trust Fund in consultation with FGS and in line with its policies,

*Underlining* the importance of cooperation between the Federal Government of Somalia and the Federal Member States in the development of a coast guard in Somalia, *noting* with appreciation the efforts made by the IMO and the

shipping industry to develop and update guidance, best management practices, recommendations to assist ships to prevent and suppress piracy attacks off the coast of Somalia, and publishing the fifth version of the Best Management Practices to deter Piracy and Enhance Maritime Security in the Red Sea, Gulf of Aden, Indian Ocean and the Arabian Sea (BMP5),

*Reaffirming* international condemnation of acts of kidnapping and hostage-taking, including offences contained within the International Convention against the Taking of Hostages, and *expressing serious concern* at the inhumane conditions hostages face in captivity, and *noting* the importance of cooperation between Member States on the issue of hostage-taking and the prosecution of suspected pirates for taking hostages,

*Welcoming* the readiness of the Federal Government of Somalia and Federal Member States to cooperate with each other and with States who have prosecuted suspected pirates with a view to enabling convicted pirates to be repatriated back to Somalia under suitable prisoner transfer arrangements, consistent with applicable international law, including international human rights law, to serve the full terms of their sentences, but *expresses serious concern* regarding the premature release of any convicted prisoners returned from Seychelles to Somalia and reiterates that sentences served must be those passed by the courts of the prosecuting states and that any proposal to vary the sentences must be in conformity with agreements with Seychelles on the transfer of sentenced persons and consistent with applicable international law, including international human rights law,

*Expressing* serious concern over reports of illegal, unreported and unregulated fishing (IUU) in Somalia's Exclusive Economic Zone (EEZ), *recognizing* that IUU fishing can contribute to destabilization among coastal communities, and *noting* the complex relationship between IUU fishing and piracy, *welcoming* Somalia's accession to the Food and Agriculture Organization (FAO)'s Agreement on Port State Measures to Prevent, Deter and Eliminate Illegal, Unreported and Unregulated Fishing, and the ongoing efforts of the Federal Government of Somalia towards the development of a legal regime for the distribution and enforcement of fishing licences,

*Welcoming* the release of the three Iranian seafarers from the FV Siraj as a result of the efforts of the Islamic Republic of Iran and the Hostage Support Partnership who were held as hostages inside Somalia in appalling conditions, and *appreciating* the work of the International Seafarers Welfare and Assistance Network (ISWAN), the Maritime Piracy Response Programme (MPHRP), and the CGPCS Piracy Survivors Family Fund (PSFF) in providing support to victims of piracy and their families, and recognizing the need to continue supporting these initiatives and contributions to funds,

*Emphasizing* that peace and stability within Somalia, the strengthening of State institutions, economic and social development, and respect for human rights and the rule of law are necessary to create the conditions for a durable eradication of piracy and armed robbery at sea off the coast of Somalia, and further *emphasizing* that Somalia's long-term security rests with the effective development by Somali authorities of the Somali Coast Guard and Maritime Police Units, Somali National Army, and Somali Police Force,

*Determining* that the incidents of piracy and armed robbery at sea off the coast of Somalia, as well as the activity of pirate groups in Somalia, are an important factor exacerbating the situation in Somalia, which continues to constitute a threat to international peace and security in the region,

*Acting* under Chapter VII of the Charter of the United Nations,

1. *Reiterates* that it condemns and deplors all acts of piracy and armed robbery at sea off the coast of Somalia;

**Annex XVII****Statement by the Permanent Representative of Germany to the United Nations, Christoph Heusgen**

Today the Security Council renewed the authorization granted to States and regional organizations cooperating with the Somali authorities in the fight against piracy and armed robbery at sea off the coast of Somalia.

Germany voted in favour of the resolution. With regard to operative paragraphs 11 and 29, we reiterate our understanding that the resolution includes cooperation not only with the Federal Government of Somalia but with all relevant Somali authorities, including the federal member states.

The United Nations Assistance Mission in Somalia, the United Nations Office on Drugs and Crime and the European Union Capacity-Building Mission in Somalia have supported various capacity-building initiatives at the federal and state levels. Dialogue and cooperation among the Somali authorities at the federal and state levels are essential to build up effective maritime security capacities and working coast-guard structures capable of securing the sea off the coast of Somalia.

**Annex XVIII****Statement by the State Minister for Foreign Affairs and International Cooperation of Somalia, Balal Mohamed Osman**

Allow me first of all to express to you, Mr. President, the satisfaction of the delegation of Somalia at seeing your country preside over the Security Council this month. South Africa is a friend of Somalia, and we wish it every success and pledge our full support during the presidency. I would also like to congratulate another friend of Somalia, the delegation of the Saint Vincent and Grenadines, for the able manner in which it guided the work of the Council last month.

There has been a massive reduction in the number of piracy-related incidents in the past three years thanks to the Federal Government of Somalia's efforts, in collaboration with the international community. For the first time in more than a decade, there is no single piracy-related incident off the coast of Somalia. We believe that piracy and armed robbery off the coast of Somalia must be put in the context of the political, security and economic challenges on land facing my country.

In that regard, we ask Member States and international organizations for their support for the Somali Government's policies and priorities so as to address the root causes of piracy, which is the only sustainable way of eradicating piracy- and armed-robbery-related incidents off the coast of Somalia.

We welcome the planned closure on 31 December 2021 of the Contact Group on Piracy off the Coast of Somalia Trust Fund. Furthermore, the Somali Government is concerned at the outdated mandate and structure as well as the working methods of the Group. We firmly believe that the Contact Group is neither inclusive nor useful at this stage, and we thus withdraw our support for and participation in any of the Group's future activities indefinitely. We thank the international partners for their contributions to the Trust Fund to support the initiatives of States countering piracy off the coast of Somalia in the past decade and encourage the aligning of future support with the policies of the Federal Government of Somalia to counter piracy in a systematic, sustainable manner, including reinforcing the Somali national coast guard.

As members are aware, piracy is only one of the many threats to maritime security off the coast of Somalia, and the persistence of illegal, unreported and unregulated fishing in Somalia's exclusive economic zone remains a major concern.

In that regard, we urge Member States to abide by domestic and international regulations and to take all measures necessary to ensure compliance and prevent illegal unreported unregulated fishing off the coast of Somalia.

We remain concerned at the abuse of process in piracy-related prosecutions taking place outside Somalia. In some cases, we have observed that defendants who are illiterate were not offered proper interpretation. Moreover, defendants were required to sign away their right of appeal with the facilitation of the United Nations Office on Drugs and Crime. This is unconstitutional in Somalia as well as in the foreign prosecuting State, Seychelles in this case. As we all strive to fight piracy and armed robbery off the coast of Somalia, compliance with international human rights law and the rules that we are also fighting to protect must be strictly maintained.

In conclusion, 12 years after the adoption of resolution 1816 (2008), we have witnessed a drastic reduction in the number of piracy incidents, in particular in the last three years. The milestone reached this year of no single piracy incidents and no piracy hostages held in Somalia is a true testament to the Federal Government of Somalia's ownership of the problem, in addition to our hard work in collaboration

with our international partners. We will continue with our comprehensive approach, which combines development, security and good governance, and we will spare no effort in our fight against insecurity and injustices in all of its forms.
