**Identical letters dated 8 June 2020 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council**

I write to inform you of Lebanese violations of Security Council resolution [1701 \(2006\)](#), breaches of Israeli sovereignty and the repeated crossing of the Blue Line in February, March and April 2020. A comprehensive list of the violations is included in the annex to the present letter.

While it would have been expected that, in a time like the present, Lebanon would do its utmost to stabilize and calm its southern border in order to avoid distractions while engaging in its economic crisis and its fight against the coronavirus disease (COVID-19) pandemic, it is disturbing to witness that quite the opposite has happened. Not only has there been no respite in the number of violations reported, the number has indeed increased each month. That development clearly demonstrates a blunt disregard for the present global state of affairs as well as Security Council resolution [1701 \(2006\)](#).

Alongside the increasing number of violations, the recent period has also been characterized by an escalation in their severity. The accumulation of serious incidents, usually carried out in civilian guise, illustrates the audacity with which Hizbullah operates and its disregard for the United Nations Interim Force in Lebanon (UNIFIL).

The examples of such behaviour are numerous: on 11 February, UNIFIL forces were physically attacked in the town of Bar'ashit, in yet another restriction of their freedom of movement; on 26 March, Israel shot down a drone launched into its territory from South Lebanon by Hizbullah, in violation of its airspace; on 17 April, Israel discovered three breaches of its security fence, posing a great threat to its security and to the safety of the citizens living near the fence.

As outlined in the present letter, as well as in previous letters that I have sent, Lebanese violations of resolution [1701 \(2006\)](#) occur on a daily basis. Unfortunately, despite their visibility and frequency, the violations are not being reflected adequately in the reports of the Secretariat and are not given the weight they deserve.

I trust that future reports on the implementation of resolution [1701 \(2006\)](#) will reflect in a more precise manner the ongoing violations and demand that the Lebanese Government abide by its commitment to the resolution.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(Signed) Danny **Danon**
